STAFF

NICHOLAS GREEN OAM

I am delighted to present the 102nd report of the Victorian Olympic Council (VOC) at its Annual General Meeting in 2014. I commence my report by acknowledging the outstanding performance of the 2014 Australian Olympic Winter Team led by Chef de Mission Ian Chesterman. We equalled Australia's best-ever performance at a Winter Games, matching the three medals won in Vancouver in 2010.

Australia finished equal 24th on the overall Gold Medal tally and the following statistics are impressive:

Silver	David Morris	men's aerials
Silver	Torah Bright	women's snowboard half pipe
Bronze	Lydia Lassila	women's aerials

Fifteen top 10 results (eight in Vancouver)

Twenty-seven top 16 finishes (15 in Vancouver)

With a Team of 60, 43 were first time Olympians which means that more than 70 per cent of the team were rookies.

Three Youth Olympic Games Athletes

Alex Ferlazzo	Luge	Innsbruck 2012
Lucy Glanville	Biathlon	Innsbruck 2012 (Cross Country)
Greta Small	Alpine Skiing	Innsbruck 2012

FREESTYLE SKIING

1. David Morris, Aerials – 2nd
2. Lydia Lassila, Aerials – 3rd
3. Anna Segal, Slopestyle – 4th
4. Britteny Cox, Moguls – 5th
5. Katya Crema, Ski Cross – 7th

SHORT TRACK

6. Deanna Lockett, 1000m – 9th

SNOWBOARD

7. Belle Brockhoff, Cross – 8th

I also extend my congratulations to Victorian Alex "Chumpy" Pullin who was selected to lead his teammates into the Fischt Olympic Stadium at the Opening Ceremony on February 7, 2014.

VOC Executive Board member Nicole Livingstone OAM formed part of the media contingent as did Olympians Club of Victoria Committee member David Culbert.

Hearty congratulations are extended to James Tomkins OAM on his appointment as an IOC Member and to Kevan Gosper AO who was awarded the Olympic Order in silver for his 36 years of commitment to the Olympic Movement.

The VOC elections at last year's AGM saw the retirement of Kerri Tepper after 16 years' service on the VOC Executive Board, 14 as Vice-President. Kerri's service has been commendable and I thank her for her outstanding contribution to the Olympic Movement.

PMOD Executive Members and VIPs from left to right: Giaan Rooney OAM, The Hon Josh Frydenberg MP (Parliamentary Secretary to the Prime Minister), Chairman David Thodey, The Hon Hugh Delahunty MP (former Minister for Sport and Recreation), Deputy Chairman Peter Fox AM, Kim Crow, Roger Frankel (Honorary Consul of the Consulate of Brazil in Victoria), Nick Green OAM and Eddie McGuire AM.

I congratulate Will Alstergren QC on retaining his position as VOC Vice-President, Nicole Livingstone OAM on her elevation to Vice-President and returning Board members David Wansbrough, Andrew Collett, Jeremy Thompson and Leon Wiegard OAM.

I welcome the election of new Board member Steve Moneghetti and VOC Honorary Officer Steph Moorhouse. I am delighted with the composition of the Board which has a great mix of age, skills and talent to steer our focus on the VOC Strategic Plan.

The AOC elections saw Nicole Livingstone OAM and two other Victorian women – Danielle Woodward OAM and Kitty Chiller – join the AOC Executive.

I congratulate Kitty Chiller on her appointment as the Chef de Mission of the 2016 Olympic Games. I wish her and her Executive every success in the lead up to Rio.

I am extremely grateful to PMOD Chairman David Thodey and his Executive team who have commenced work on raising funds for the 2016 Australian Olympic Team. Our aim is to exceed the 2012 result of \$2.2m.

We are also extremely grateful to the State Government of Victoria for their ongoing support of the Olympic Movement, not only through their financial support of the Team but also through funding our educational programs. In particular I pay tribute to the Hon Hugh Delahunty MP who has been a wonderful supporter of the VOC.

Our Foundation underwent a name change in honour of our former President and Life Member Judy Patching. Now the Julius Patching Foundation, it continues to support the VOC in its break-even imperative and I thank

Lazard's Peter Halstead and my fellow Board member David Wansbrough for their outstanding guidance and work on the investment portfolio. I am delighted that James Tomkins OAM, Director of Sales, UBS, has joined the investment sub-committee now chaired by David Wansbrough.

I pay tribute to Leon Wiegard OAM and the Olympians Club of Victoria (OCV) Committee on the extremely successful dinner held at the Sofitel on Collins on November 22, 2013. More than 100 Olympians were in attendance and the consensus was that special guest, Olympic Gold medallist Steven Bradbury OAM, was the stand-out.

In addition, 29 Olympic sports were represented at the dinner with Rowing (15), Athletics (15), Swimming (8) and Gymnastics (7) the top four sports.

The other highlight was the donation of \$10,000 to the Team fund by the Werribee Supporters Group which was formed at the time of Melbourne's bid for the 1996 Olympic Games following a request from the Bid Committee for local community support.

With the winding up of the fund, it was decided that this donation was appropriate.

I thank the Australian Olympic Committee for their support of the VOC and our Executive.

Finally, I sincerely thank all members of the VOC team – the Executive Board, our two staff members – Gill Brewster and Maria Cabeliza, the Education Commission, so well led by Luke Soulos, volunteers and Victorian Olympians – for their commitment to the Olympic Movement and the activities and programs delivered by the VOC in 2013.

GILL BREWSTER

There are five principal elements of the Victorian Olympic Council Strategic Plan 2013-16 that form the basis of our activities.

An outline of highlights and achievements within each area follows:

1. FUNDRAISING

The AOC has charged us with the responsibility of raising \$2.2 million for the 2016 Australian Olympic Team.

Prime Minister's Olympic Dinner (PMOD)

Chairman David Thodey has assembled a highly influential Executive to ensure we meet this target.

I am delighted that the Prime Minister the Hon Tony Abbott MP and the Premier the Hon Dr Denis Napthine MP have agreed to fulfil the roles of PMOD Patron and President respectively.

The dinner will be held at the Melbourne Exhibition and Convention Centre on June 18, 2016. We plan to formally launch our sales drive in March 2015 but Deputy Chairman Peter Fox AM already has commitments from five companies to purchase tables.

Steve Moneghetti discussing the a.s.p.i.r.e. Olympic Values at the Bendigo AYDP

2. OLYMPIANS

Olympians are at the heart of all that we do and are keenly involved in our annual dinner and educational programs.

OLYMPIANS CLUB OF VICTORIA (OCV)

We continue to provide administrative and secretarial support to the OCV with the highlight being the OCV annual dinner.

President Leon Wiegard OAM provides unparalleled energy and commitment to the Olympians Club. He is masterful in providing a vision for each dinner and the 2013 function was no exception! VOC Events Co-ordinator Maria Cabeliza is charged with the delivery of this vision and works tirelessly to ensure everybody in attendance has a wonderful night.

Our aim each year is to encourage Olympians to attend the event. The 433 attendees at the 2013 dinner comprised:

- 109 Olympians - compared to 120 in 2012 (30 of whom were FOC 2012 Australian Olympic Team Members)
- 40 Olympians Club of Victoria Forum Members (36 in 2012)
- 28 Olympic Medallists (40 in 2012)
- 10 Olympians who competed in 2012 (30 attended FOC in 2012)
- 43 Olympians who competed between 1992 and 2010 (47 in 2012)

- 56 Olympians who competed between 1952 and 1988 (43 in 2012)
- Olympic family corporate guests Bill Gibbins and Lazard's Peter Halstead whose table purchases enabled Olympians to attend the event at a very reasonable \$60 per head.

In recent years the dinner has been held at the Sofitel on Collins. We are extremely well catered for by their team led by Sharon Bretz and we thank the Sofitel for their generous assistance to our club.

We are also indebted to the ongoing support of people and organisations that supply auction and raffle items on the night and assist in meeting our break-even imperative.

The 2013 Olympians Club of Victoria Gala Dinner at the Sofitel on Collins Hotel.

EDUCATION PROGRAMS

Our aim is to connect Olympians with the community through Department of Education and Early Childhood Development (DEECD) and Sport & Recreation Victoria (SRV) funded programs. 41 Olympians were actively involved in our programs in 2013 (56 have been approached).

3. EDUCATION

Olympians have demonstrated their great ability to instil values and inspire young Australians to lead active, healthy lifestyles. Each of our programs is reliant on the involvement of a broad cross-section of Olympians.

ACTIVE YOUTH DEVELOPMENT PROGRAM

This is the second of a three-year program funded by Sport and Recreation Victoria.

The program has four objectives:

1. Connect Olympians with the community to inspire participation in sport
2. Empower teachers with the tools needed to conduct the program with minimal support by the Victorian Olympic Council
3. Connect students with local sporting clubs
4. Increase participation in sport.

More than 1100 students participated in the program during 2013:

Loddon Campaspe – Bendigo 08.05.13

Host – Bendigo South East SC
229 years 8 and 9 students

Barwon – Geelong 01.08.13

Host – Montpellier PS
268 years 5 and 6 students

Mallee – Mildura 24.10.13

Host - Nichols Point PS
272 years 5 and 6 students

South West – Warrnambool 13.11.13

Host - Warrnambool PS
173 years 5 and 6 students

Central Highlands – Ballarat 21.11.13

Host – Ballarat Grammar
210 years 8 and 9 students

The evaluations reveal some very useful findings especially relating to the students' current involvement in sport, their desire to keep playing the sport they played in the morning coaching clinic and the powerful impact of the Olympians. No surprises there!

Follow-up visits by the local clubs and communication about upcoming "Come and Try" sessions were encouraged as it is clear that the interest exists.

PIERRE DE COUBERTIN AWARDS AND OLYMPIC ACADEMY

Ongoing financial assistance was received from the Department of Education (DEECD) for the Pierre de Coubertin Awards and Olympic Academy. It is pleasing to report that 161 senior secondary school students (of 205 Victorian recipients) were honoured in a special awards ceremony on Sunday June 16, 2013 at the MCG.

We were thrilled that the **Hon Martin Dixon MP**, Minister for Education, presented the awards to the students. He was ably assisted by Master of Ceremonies, **Nicole Livingstone OAM**, 1988, 1992 and 1996 Swimming Dual Bronze and Silver Medallist and **Danielle Woodward OAM**, 1992, 1996, 2000 Silver Medallist Canoe/Kayak – Slalom and Director, Athlete Services 2012 Australian Olympic Team.

A further 93 school sport leaders participated in the Olympic Academy held immediately after the awards ceremony. The academy provided an opportunity for Pierre de Coubertin recipients and sport leaders to interact with the 16 Olympians in attendance and to learn about the Olympic Games, as well as visit the National Sports Museum at the MCG.

AOC EDUCATION INITIATIVES

The VOC works closely with the Australian Olympic Committee's Education Manager Frances Cordaro on the **a.s.p.i.r.e. school network** which has continued to develop strongly, reaching more young Australians and encouraging them to lead healthy, active and value-rich lives.

EDUCATION COMMISSION

We are extremely proud of the work of the VOC Education Commission so competently chaired by Luke Soulos. The commission is an extremely effective group. Members provide advice to assist us with content and distribution channels for our promotional material and they also assist in the delivery of our programs. This commitment, whereby members assist us in a voluntary capacity, is exceptional.

Please see the Education Report for more detail on the outstanding education programs undertaken in 2013.

4. GOVERNANCE

Our key objectives are to ensure compliance with legislation, sound financial management and effective reporting structures.

I refer you to the 2013 financial accounts that reflect a net surplus of \$5,704.00. This results from this year's treatment of the Julius Patching Foundation distributions as revenue, which was not the case in previous years when distributions were reflected in the Statement of Changes in Equity.

A major focus this year was to amend the VOC Constitution in line with the AOC Constitution and the *Associations Incorporation Reform Act 2012 (Vic)*. The VOC is extremely grateful to Corrs Chambers Westgarth who undertook this significant work pro bono.

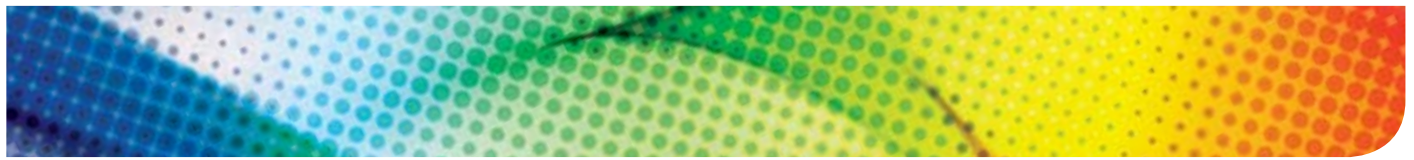

In addition, the foundation was renamed in honour of the "Grand Old Man of the Olympic movement"^[1], Julius Patching. The foundation was established to develop and protect the Olympic Movement in Victoria, to promote the fundamental principles of Olympism, to inspire and engage the community through educational programs and to provide a secure source of funding for the Victorian Olympic Council.

On April 23, 2009 the Victorian Olympic Council gifted \$3.67 million to the foundation. At December 31, 2013 the Julius Patching Foundation had net assets of \$4.0 million (2012: \$3.7m). This includes an investment portfolio of managed funds valued at \$1.6 million (2012:\$1.6m), cash deposits of \$1.7 million (2012:\$1.9 m) and cash at bank of \$622k (2012:\$108k).

On December 3, 2009 it was resolved that in accordance with the regulations of the Deed of Settlement that 100 per cent of the net income of the foundation be distributed to the Victorian Olympic Council Inc. Since the sale of Julius Patching House, more than \$950,000 has been distributed to the VOC to assist its delivery of community Olympic programs.

Sincere thanks are extended to VOC Executive Board members David Wansbrough (Chair) and Nicholas Green OAM, Lazard's Peter Halstead and UBS's James Tomkins OAM for providing ongoing expertise and advice as members of the Julius Patching Investment Sub-committee.

[1] Harry Gordon <http://corporate.olympics.com.au/soc/vic/tribute-to-julius-l-patching-ao-obe>

CWC Family’s David Birkbeck, Kanthi Guruge and Cristina Palma administer the foundation and manage BAS and audit processes. We are extremely grateful for their outstanding work provided pro bono.

5. LEGACY AND STAKEHOLDER ENGAGEMENT

Our stakeholders are recognised through the following awards:

LIFE MEMBERSHIP

Life Membership of the council may be conferred by special majority on the recommendation of the executive upon:

- An Office Bearer or Executive member who has held such position for not less than 10 years and has rendered outstanding service to the council or the Olympic Movement
- Any other person who has rendered such service or to sport generally for at least 10 years.

ORDER OF MERIT

The Order of Merit may be conferred upon any person who, in the opinion of the executive, has made a remarkable contribution to the sporting world, either through personal achievement or through the development of sport.

WILFRID KENT HUGHES AWARD

Sir Wilfrid Kent Hughes, KGE, MVO, DSC, MC, ED, 1885-1970, will be remembered as Chairman of the 1956 Melbourne Olympic Games Organising Committee, for his great love of sport and for his contribution to the Victorian and Australian Olympic Movement. He was without doubt a great Australian, a soldier, an Olympian, a statesman and a true administrator.

To perpetuate his outstanding contribution, the Victorian Olympic Council selects the most outstanding performance by a Victorian Olympian at each Olympic Games to receive the Wilfrid Kent Hughes Award.

A perpetual plaque on permanent display in the foyer of the VOC office is etched with the recipient’s name and a replica plaque is awarded to the recipient.

JULIUS PATCHING AWARD

This award is in recognition of the unprecedented and tireless contribution of Julius L. Patching to the Victorian Olympic Council and the Olympic community. Judy was a voluntary official from 1947 until his death in 2009. This award recognises the outstanding contribution that officials make to the fabric of the Olympic sporting community in Victoria. One nomination per Constituent Body is accepted for consideration each year.

Nicole Livingstone OAM interviewing Kim Crow, recipient of the 2012 Wilfrid Kent Hughes award.

In closing my report I would like to acknowledge the outstanding work of my colleague Maria Cabeliza who gives her all to the Victorian Olympic Council. Nick Green OAM brings the qualities of an Olympic Gold Medallist to his role as VOC President. Nick is an outstanding leader who is extremely positive and supportive of his staff and the programs we undertake in the community. Maria and I are honoured to work with Nick and the members of the Executive Board, all of whom share a passion and strong commitment to the VOC and the Olympic Movement generally.

I also recognise the significant contribution of the AOC’s James Edwards who works closely with the states to ensure standards are met. James’ contribution has been embraced by the VOC given his energetic, positive and enthusiastic approach.

Finally, I would like to thank the Olympians Club of Victoria (OCV) Committee led by Leon Wiegard OAM, OCV Forum members and our wonderful team of volunteers, all of whom regularly demonstrate their passion for the Olympic Movement in the many activities they undertake.

Gillian Brewster
Executive Director

DAVID THODEY

It is an honour to follow in the footsteps of Peter Fox AM as Chairman of the 2016 PMOD, given his outstanding performance in the role. Indeed all previous Chairmen listed below have contributed an enormous amount of time and expertise to this worthy cause for the benefit of the Australian Olympic Team.

FORMER PMOD CHAIRMEN

Peter Fox AM
2012

Max Beck AM
2008 and 2004

Sir Donald Trescowthick AC KBE
2000, 1988 and 1984

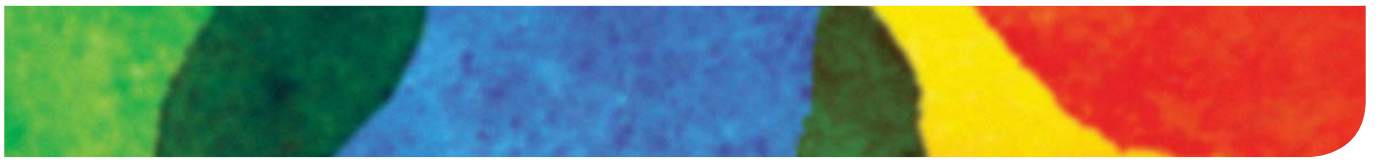

Peter Bartels AO
1996

Peter Clemenger AM
1992

I am confident that my Executive team will meet the challenge of selling 125 tables and raising more than \$2.2million for the 2016 Australian Olympic Team when we host the dinner on June 18, 2016 at the Melbourne Exhibition and Convention Centre.

9TH OLYMPIC DINNER**
FOR THE BENEFIT OF THE 2016 AUSTRALIAN OLYMPIC TEAM

From left: The Hon Hugh Delahunty MP (former Minister for Sport and Recreation) with Kim Crow, David Thodey, Nick Green OAM, Peter Fox AM, Eddie McGuire AM, The Hon Josh Frydenberg MP (Parliamentary Secretary to the Prime Minister), Roger Frankel (Honorary Consul of the Consulate of Brazil in Victoria) and Giaan Rooney OAM.

The Hon Tony Abbott MP Prime Minister of Australia, sent an inspirational video message to the PMOD Executive in support of their fundraising.

LEON WIEGARD OAM

The objective of the Olympians Club of Victoria (OCV) is to provide an ongoing involvement in the Olympic Movement for all Olympians and Olympic officials by promoting Olympism and supporting activities throughout the State – *“Once an Olympian, always an Olympian”*.

President Leon Wiegard OAM interviewing Chef de Mission of the 2014 Olympic Winter Team Ian Chesterman.

2013 OLYMPIANS CLUB OF VICTORIA ANNUAL GALA DINNER
SOFITEL MELBOURNE ON COLLINS
NOVEMBER 22, 2013

The 2013 Annual Black-tie Dinner was held at the Sofitel on Collins on November 22, the 57th anniversary of the opening of the Melbourne Olympics.

The dinner also served as a “farewell” for our Winter Team going to Sochi in February 2014. Our guest speaker was “The Last Man Standing”, speed skating Gold Medallist Steve Bradbury OAM, whose address was very well received by all in attendance.

Another special guest was the team’s Chef de Mission, Ian Chesterman, who gave details of the preparations leading up to the Olympiad, and mentioned some of the medal hopes.

It was most pleasing to have more than 130 Olympians among those at the dinner, including a number from interstate. Dual Olympian swimmer Graham White made a special effort to fly from Brisbane for the event despite not enjoying the best of health and it was good to see him back “home” in Victoria for a short visit.

At the dinner there was recognition of the appointment of John Coates AC to the Vice-Presidency of the IOC, the awarding of the Olympic Order in Silver to Kevan Gosper AO and the appointment of James Tomkins OAM to the IOC. We also acknowledged the recent nomination of Kim Crow, the new chair of the AOC Athletes’ Commission, as the Female Athlete of the Year by the International Rowing Federation.

I would like to record my personal appreciation of the enormous support and encouragement the OCV receives from Gill and Maria at the VOC with the organisation of this dinner each year, and the significant input of committee members. I thank members of the Olympians Forum and other Olympians who took leadership roles in growing the number of Olympians attending the function.

I also thank the volunteers on the night who kindly helped with the room set up, the raffle and the auction – your assistance is much appreciated.

OLYMPIANS ALUMNI

The Olympians Club of Australia, in close conjunction with the AOC, announced the adoption of a much more effective communications strategy during the year and the first hard copy of *Olympian* magazine has been distributed.

So, along with the regular “new look” electronic national newsletters, plus the stream of information to Victorian Olympians and officials from the OCV via the VOC, all Olympians ought to feel well “in the loop”.

The VOC and the Olympians Committee

Again I emphasise the importance of the close co-operation we enjoy between the staff and board of the VOC and the operations of the Olympians Club. This partnership has seen a strong, successful working relationship between the two organisations for many years and, again, I want to thank Gill and Maria, the board of the VOC and all members of our committee for their invaluable support of the Olympians Club.

Jeremy Healy, Sharon Bretz, Rebecca and David Wansbrough and Claire Mitchell-Taverner OAM.

50-YEAR CELEBRATIONS

In 2014 we will be celebrating the 50th anniversary of the Tokyo Olympics and it's a special year for all those involved in an Olympiad finishing in 4. So we encourage you to get together with your teammates and make something of it. Don't hesitate to ask the VOC/OCV to help promote a reunion.

FINANCE

Our finances are in good shape and we are indeed fortunate to have had Bronze Medallist swimmer Peter Doak looking after that aspect of the club for us for many years, and we congratulate him on being awarded the OAM in the last honours listings.

PIERRE DE COUBERTIN AWARDS CEREMONY AND OLYMPIC ACADEMY

MELBOURNE CRICKET GROUND
SUNDAY JUNE 16, 2013

Named after the founder of the modern Olympic Games and funded by the Department of Education and Early Childhood Development, the Pierre de Coubertin Award is an international award celebrated nationally. It recognises students who demonstrate academic excellence and sporting prowess while exemplifying the Olympic values.

The Pierre de Coubertin Awards are an initiative of the Australian Olympic Committee and have been embraced by the VOC and the Department of Education and Early Childhood Development (DEECD) since 1997.

In order to be eligible for the award the student nominee must:

- Be enrolled in year 10, 11 or 12 and not have received the award on a previous occasion
- Have participated actively in the school's physical education program with a consistently positive attitude
- Have demonstrated the attributes consistent with the fundamental aims of the Olympic movement
- Have represented the school in at least one sport on the current Olympic program and
- Have participated in at least two other sports (individual or team).

From 208 award recipients there were 161 senior secondary school students honoured in a special awards ceremony on Sunday June 16, 2013 at the MCG.

The Hon Martin Dixon MP, Minister for Education, presented students with their awards and Olympic pins. Master of Ceremonies, Nicole Livingstone OAM, and Danielle Woodward OAM were also on hand to acknowledge students.

Every student must complete a literary or artistic piece as part of the nomination process. This year's theme was "What can we learn from the London 2012 Olympic Games and how would you use these learnings in Rio 2016?"

The Most Outstanding Artistic Piece was submitted by Sarah Welsford of Weeroona College Bendigo. The Most Outstanding Literary Piece was written by Harrison Roubin of Melbourne Grammar School.

A further 76 school sport leaders joined the 161 recipients to participate in an Olympic Academy immediately after the award ceremony. Pierre de Coubertin recipients as well as sport leaders from their schools had the unique opportunity to meet and interact with Olympians and like-minded students, learn about the a.s.p.i.r.e. Olympic Values, discuss topics such as "Social Media and Racism in Sport", the "London 2012 Olympic Games", "Lifestyle Balance" and "Women in Sport" as well as visit the National Sports Museum.

We acknowledge our presentation partner, the Department of Education and Early Childhood Development, for their involvement, ongoing contribution and funding of the program.

The VOC also extends its sincere appreciation to our Olympians, Education Commission members, the Melbourne Cricket Ground and the National Sports Museum for their support during and in the lead-up to the event.

The Most Outstanding Artistic Piece was awarded to Sarah Welsford of Weeroona College Bendigo.

"The Olympic Games have presented the epitome of sport for decades. For generations it has been the arena where rivalries are born, legends are made, and the passion of human competition is at its purest. However, in more recent times, political unrest, the development of social media, cheating in sport and conflicts around the world have attempted to detract from the ideals of the Olympic Games. London 2012 proves an example of the human endeavour to strive beyond these challenges.

The London Olympic Games were seen to be free of political motivation, religious confrontation and maintained the best interest and safety for all athletes and spectators. The Games continued to strive to unite all people under the flag, the Olympic flag, in an effort to promote peace and civility.

What we can learn from the London 2012 Olympic Games is that we are now entering an age where social media and politics are constantly misleading and misguiding the public perception of the purity of sport and the ideologies of the Games. However, the London Games are an extraordinary example of how the Olympic Games unite a world that at times can be severely torn apart.

Inevitably we can use the learnings of the London Games that cheating, social media and politics will forever play a part in society. However, that does not mean we should stop trying to achieve or compromise the ideals set forth by Pierre de Coubertin, and we should further strive to uphold the Olympic ideals in Rio. The Olympic Games represent the ultimate triumph of humanity, as they represent the closest that the men and women of the world have ever come to being united as one; and although the Games are not perfect, our endeavours are for the betterment of all humanity."

Most Outstanding Literary Piece was from Harrison Roubin of Melbourne Grammar School.

FUTURE STARS

By Mitch Rodd

THE next crop of starry-eyed future Olympians have been inspired by a meeting with some of their Australian Olympic heroes of the past and present.

Three-hundred local primary school students spent yesterday absorbing golden tips from sporting stars as part of the Victorian Olympic Council's Active Youth Development program at Nichols Point Primary School and other locations around Mildura.

Three time Olympic swimmer and silver and bronze medallist Nicole Livingstone said she hoped the visit from the 13 Australian representatives would inspire them to set off on the path to Olympic glory.

Ms Livingstone described the excitement shown by the crowd of local 11 and 12 year olds as "infectious".

"I think it's important for us as Olympians as we represent the Games and the Australian Olympic movement that we actually let these kids understand that they can be part of that movement,"

Ms Livingstone said. "I remember meeting (Olympic swimmers) Tracey Whickham and Michelle Ford and I remember thinking 'they are just like me, they are real'.

"They are not just people who you see on TV who are so far away from my ambitions or my dreams."

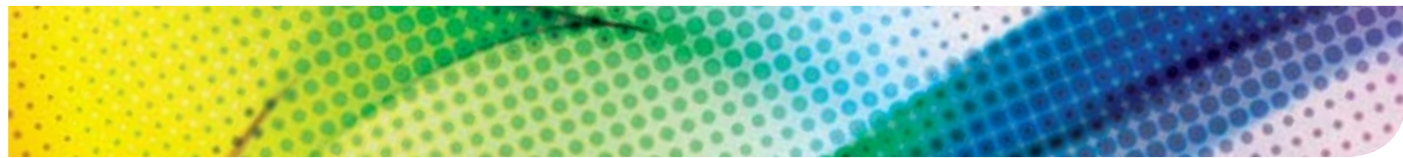

Ms Livingstone was joined by Kyle Vander-Kyup and Pam Kilborn Ryan (athletics), Mark Bradtke and Michelle Brogan (basketball), Ibrahim Balla (boxing), Ash Brennan and Georgia Bonora (gymnastics), Tal Karp (soccer), Ash Delaney and Linley

Frame (swimming), and Luke Campbell and Tamsin Hinchley (volleyball).

Each Olympian's sport also had local representatives involved, allowing the youngster to make the link to their local clubs.

INSPIRED: Sunraysia primary school students Georgia Mahoney, Nya Kong, Brock Stevens, Damon Fricke, Mackenzie Ryan and John Cooper yesterday enjoyed the opportunity to meet Olympic swimmer Nicole Livingstone.

ACTIVE YOUTH DEVELOPMENT PROGRAM (AYDP) 2014

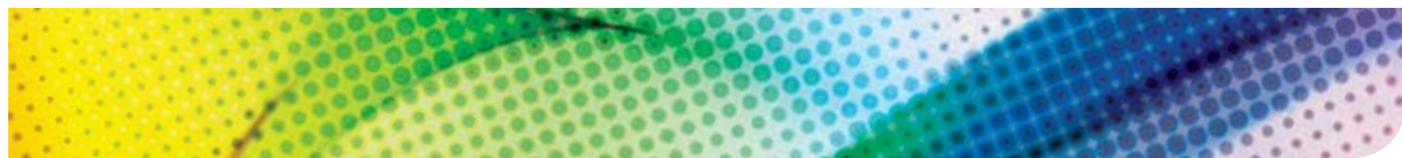

The AYDP is delivered by the Victorian Olympic Council (VOC) and funded by the Department of Transport, Planning and Local Infrastructure, Sport and Recreation Victoria.

The program aims to:

1. Connect Olympians with the community to inspire participation in sport
2. Connect schools and students with local clubs to foster an ongoing relationship
3. Empower teachers with the tools needed to conduct the program with minimal support from the Victorian Olympic Council
4. Increase participation in sport.

Students are given a unique insight into the Olympic Games as Olympians share stories about how they became involved in sport and the positive impact of sport on their lives.

Each program is conducted over the course of a day. The sports are based on those that can be resourced at the host school. In the past we have offered any six of the following sports – **basketball, volleyball, athletics, table tennis, badminton, swimming, sailing, soccer, hockey and rowing**. Once the sports are determined the VOC enlists the support of Olympians to coach and inspire the students.

Every student is coached in their preferred sport by an Olympian, coming away with a special tip from an Olympian that they will cherish for life. In the afternoon, Olympians combine with local clubs to run a “Come and Try” session to showcase their sport and the club.

At the conclusion of each program students were asked to complete an evaluation.

Evidence that we are achieving our aim is clear – 43% of students (Ballarat) strongly agreed (and 26% agreed) they would like to continue playing the sport they played in the morning session. In Geelong 50% strongly agreed they wanted to continue playing the sport and a further 25% agreed. In Warrnambool the results were 43% strongly agreed and 26% agreed while in Mildura 49% strongly agreed and 24% agreed.

Phase one of the program was delivered in 2012 with initial meetings held with key stakeholders – teachers, local clubs, state sporting associations, representatives from Active After School Communities, ACHPER, School Sport Victoria, Regional Sports Assemblies and Regional Academies of Sport.

The program was delivered to five regions in 2013. We are grateful for the wonderful support provided by host schools and their principals and the Victorian Regional Sports Academies chaired by Graham Gordon, who provided valuable advice about the local sporting clubs as well as assisting on the day.

Recipients of the 2013 Pierre de Coubertin Awards and Olympic Academy participants at the MCG.

THANK YOU

On behalf of the Education Commission we extend our sincere appreciation to Gillian Brewster and Maria Cabeliza for their vision in the development of the VOC education programs. The positive feedback and successful delivery of the programs are testament to their countless hours of preparation.

We extend our best wishes to Amber Koster, formerly the Sport and Recreation Victoria representative who retired from the commission in February 2014. Amber's contribution through the Education Commission and in particular to the Active Youth Development Program funded by Sport and Recreation Victoria was invaluable. We wish her every success with her future endeavours. We also extend our best wishes to Mandy Passmore whose outstanding contribution, particularly to the Olympic Academy, will be sorely missed.

I would like to also take this opportunity to acknowledge the members of the VOC Education Commission for their remarkable contribution, outstanding support and enthusiasm.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(1) CORPORATE INFORMATION

The financial report of the Victorian Olympic Council Inc. ('VOC' or 'Council') for the year ended 31 December 2013 was authorised for issue in accordance with a resolution of the Executive Board on 6th March 2014.

The Victorian Olympic Council Inc. is an Association incorporated under the Associations Incorporation Reform Act, 2012 of Victoria and is domiciled in Victoria.

The Board of the Julius Patching Foundation Limited comprises those persons being voting members of the Executive Board of the VOC.

The principal place of business is Ground Level East, 60 Olympic Boulevard, Melbourne Vic 3001.

The nature of the operations and principal activities of the Council is to assist the AOC in raising funds for Australian athletes to prepare and participate in the Olympic Games. As representatives of the Olympic movement in Victoria, the VOC liaises with AOC and key stakeholders. The VOC engages Olympians and provides administrative support to the Olympians Club of Victoria. The VOC also delivers education programs to inspire the community and further promote the Olympic Movement and Olympic values.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Basis of preparation

This special purpose financial report has been prepared for distribution to the members of the council to fulfil the Executive's financial reporting requirements under the Associations Incorporation Reform Act, 2012 of Victoria and the Council's Constitution. The accounting policies used in the preparation of this financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Reform Act, 2012 of Victoria and the Council's Constitution, and are, in the opinion of the Executive Board, appropriate to meet the needs of members:

- (i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.
- (ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

VICTORIAN OLYMPIC COUNCIL INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(a) Basis of preparation con't

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Reform Act, 2012 of Victoria and the Constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality' and AASB 1048 'Interpretation and Application of Standards' which apply to all entities required to prepare financial reports under the Associations Incorporation Reform Act, 2012 of Victoria.

The Executive Board have determined that in order for the financial report to give a true and fair view of the Council's performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the council for the annual reporting period ended 31 December 2013. The Executive Board have not early adopted any of these new or amended standards or interpretations. The Executive Board have not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising and government grants, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. Income received at balance date that is in relation to future years is brought to account as unearned income. Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The VOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue realised by the VOC is recorded directly in the financial statements of the AOC.

At 31 December 2013, the VOC had realised \$6,692 for the 2013 – 2016 Olympic Team Appeal (2012: \$2,705,340 for the 2009 – 2012 Olympic Team Appeal).

VICTORIAN OLYMPIC COUNCIL INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(e) Fundraising con't

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The VOC is exempt from Australian income tax.

(g) Cash and cash equivalents

Cash and short-term deposits in the Statement of Financial Position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less, and which are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried at original invoice amount less an allowance for any uncollectable amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Investments

All investments are initially recognised at cost, being the fair value of the consideration given and including acquisition charges associated with the investment.

After initial recognition investments, which are classified as held for trading, are measured at fair value. Gains or losses on investments held for trading are recognised in the Statement of Comprehensive Income.

For investments that are actively traded in organised financial markets, fair value is determined by reference to Stock Exchange quoted market bid prices at the close of business on the balance date. Managed Funds valuations are based on similar market quote prices.

(j) Plant and equipment

Acquisition

Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impairment in value.

Depreciation and amortisation

Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 5 to 10 years from the date of acquisition.

VICTORIAN OLYMPIC COUNCIL INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(j) Plant and equipment con't

Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the Committee would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses would be recognised in the Statement of Comprehensive Income.

(k) Trade and other payables

Expenditure is brought to account on an accruals basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.

(l) Interest

Interest paid and interest and dividends received are usually classified as operating cash flows. Interest is recorded when received and used in the general operations of the Victorian Olympic Council.

(m) Interest bearing loans and borrowings

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing.

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any issue costs and any discount or premium on settlement.

Gains or losses are recognised in the Statement of Comprehensive Income when the liabilities are derecognised and as well as through the amortisation process.

Loans and borrowings are classified as current liabilities, unless the Committee has unconditional right to defer settlement of the liability, where maturity is less than 12 months.

VICTORIAN OLYMPIC COUNCIL INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(n) Employee benefits and expenses

(i) *Wages, salaries, annual leave and long service leave*

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave, are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) *Superannuation*

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under choice of super. Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the Statement of Comprehensive Income when due. All employees in the group employee super scheme are entitled to benefits on retirement or permanent disability. Benefits are payable to nominated beneficiaries on death.

(o) Leases

Finance leases, which transfer to the Council substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments.

Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged as an expense in the Statement of Comprehensive Income.

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as the lease income.

Operating lease payments are recognised as an expense in the Statement of Comprehensive Income on a straight-line basis over the lease term.

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies the VOC, evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to the VOC. Actual results may differ from the judgements, estimates and assumptions. Significant judgements, estimates and assumptions made by the Committee in the preparation of these financial statements are outlined below:

VICTORIAN OLYMPIC COUNCIL INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS con't

Make good provision

- A provision has been made for the anticipated cost of future restoration of leased premises as required by the lease term. The provision includes future cost estimates associated with dismantling and restoration of leased premises. The related carrying amounts lease commitments are disclosed in Note 18, and the make good provision in Note 17

Estimation of useful lives of assets

- The estimation of the useful lives of assets has been based on historical experience as well as lease terms (for leasehold improvements). In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

Depreciation charges are included in Note 4.

Vice President

Independent auditor's report to the members of the Victorian Olympic Council Inc.

We have audited the accompanying special purpose financial report of the Victorian Olympic Council Inc., which comprises the statement of financial position as at 31 December 2013, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the Declaration by the Members of the Executive.

Executive Board's Responsibility for the Financial Report

The Executive Board is responsible for the preparation of the financial report and has determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the financial reporting requirements of the Associations Incorporation Reform Act, 2012 of Victoria and the Council's constitution and is appropriate to meet the needs of the members. The Executive Board is also responsible for such controls as they determine are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.

Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of the Victorian Olympic Council Inc. as of 31 December 2013 and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 2 to the financial statements.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 2 to the financial report which describes the basis of accounting. The financial report is prepared to assist the Victorian Olympic Council Inc. to meet the requirements of the Associations Incorporation Reform Act, 2012 of Victoria and the Council's constitution. As a result the financial report may not be suitable for another purpose.
