ABOUT US

OUR VISION

To be the leading organisation in delivering Olympic Games activity to the Western Australian community by forging long-term, mutually beneficial relationships with business and athletes.

OUR MISSION

To share the Olympic Games experience with as many Western Australians as possible including athletes, corporate, Government and the wider community.

OUR VALUES

- To be a transparent, responsible and sustainable organisation.
- To be a market leader in corporate partnerships and events.
- To be the sole agency that manages relationships with the Olympic Alumni.
- To act in a professional manner in all organisational activity.

Western Australia enjoys an outstanding Olympic history that dates back to 1912. The achievements of our Western Australian athletes at the Olympic Games are a source of pride for all Western Australians.

The Australian Olympic Team is the embodiment of our nation's hopes, dreams and desires. The Team links the faces and names of past and present athletes across the boundaries of time and distance.

The Olympic Games provide opportunities for Western Australian athletes to compete against the world's best in a competition that promotes a spirit of friendship, solidarity and fair play.

The Australian Olympic Movement promotes to the youth of Western Australia values such as respect, commitment and team work.

As proud custodian of the Olympic Movement in Western Australia, the Western Australian Olympic Council is committed to:

- *promoting the Olympic ideals and values to all Western Australians;*
- *supporting and commemorating Western Australian athletes and officials aspiring to and achieving selection in the Australian Olympic Team;*
- *maintaining and celebrating the statistical and historical achievements of these outstanding Western Australians;*
- *ensuring an Olympic legacy for Western Australia*

PRESIDENT'S REPORT

It gives me much pleasure to welcome you and the start of our fundraising campaign for the Summer Olympics of Tokyo Japan in 2020.

We are well within an 18-month window before the Games and just embarking on our major fundraising campaign to assist Western Australian athletes attend the 2020 Olympics as members of our Australian Olympic Team. Funding to get our athletes to an Olympic Games is entirely independent of Federal Government funding, and this responsibility is willingly championed by the WAOC as the representative body for the Olympic movement in Western Australia.

Our WA Team Appeal Committee has now commenced raising our share of the State Olympic Councils funding target towards the Australian Team Appeal, after having successfully concluded last year's fundraising campaign for the 2018 Commonwealth Games.

Fundraising remains a key performance outcome for the WAOC, and as such we will again promote and deliver high class events and activities with the assistance of a motivated and dedicated Olympic Team Appeal Committee WA (OTACWA) consisting of prominent Perth business men and women. I would like to acknowledge a refreshed Team Appeal Committee currently under the direction of Deputy Chair Andrew Vlahov OAM and I look forward to the initiatives and of course the standard of events this Committee delivers on our behalf.

The activities of the WAOC however are not limited to fundraising and our KPI's are increasingly aligned to those of the AOC. This has been reflected with your Council's update of our 2016 Strategic planning document during 2018, and now with the AOC 'reset' firmly ensconced, we can expect a more collaborative and integrated delivery of services through our office.

The re-titling of Lisa Lilleyman's position as State Manager WA, is also intended to reflect and highlight the closer association and alignment with the AOC's Strategic Direction and improved operating philosophy. In 2018/19 we have had the pleasure of hosting 2 visits of AOC staff including CEO Matt Carroll and James Edwards Director National Fundraising, Community, and Athlete Services. We have worked closely together in reviewing our State practices and indeed strategic direction to not only ensure better alignment with the AOC strategic plan but also decrease our administrative burden and reflect the increased support from the national office. That administrative and technical support has extended to cloud based storage of our files and also addressed security and privacy measures.

It has also been rewarding to see further AOC engagement of the State Olympic Council Presidents, including myself, directly at the AGM and subsequently with State based meetings. This has afforded the opportunity to provide clarity and understanding in terms of our unique Joint Executive operating philosophy in Western Australia and also the sharing of ideas, concerns and visions of the WAOC Executive and the broader membership.

In regard to finances we welcomed the removal of the capped % allocation philosophy towards our office funding, replaced by a stand-alone AOC budgeted amount which reflects the operating costs of WA based representation of the Olympic movement.

Funding for the WAOC remains predominantly from the AOC especially with the WA Government decreasing their level of direct financial support. However, the location and availability of our office facilities at WAIS and the State financial contribution is much appreciated and reflects a long-standing partnership with successive WA governments and now through the Department of Local Government, Sport and Cultural Industries. We are equally appreciative of the office hosting relationship with the WA Institute of Sport (WAIS) and thank Steve Lawrence and his team.

We will continue to work with the WA Government to ensure they are aware of the impact we have in the community and the unquantifiable benefits we leave as a legacy.

Examples of this also extends to a number of initiatives from the AOC office which are now seeing the increased engagement of the states in the delivery and management of nationwide programs such as the Youth Olympic Mentor Program which is being managed and implemented by the WAOC office.

Olympian Services have also been ensconced in day to day activities of the AOC with the engagement of Olympian Daniel Kowalski, and it was so refreshing to hear him speak to the Joint executive earlier this year and his vision for the Olympians Services Program. We continue of course to promote, support and prepare our athletes on their Olympic representation journey and continue to maintain the WA Olympians database, ensuring Western Australians are more informed and more aware of the success of our WA athletes.

Again, this year we were proud to deliver activities with our Australian Olympians benefitting the WA Community, the Champions 2 Country Regional Tour, this year to the Kimberley, the Pierre de Coubertin Awards, concluding with the Academy here at WAIS, and of course Olympic Day activities. All are further detailed under the Olympians and Community section of this report

Our office, through Lisa, continues to support our Olympic alumni through the WA Olympians Club and I again thank Liane Tooth for her ongoing support and leadership of the Olympians Club which again, under the AOC 'reset', can look forward to more direct support through the AOC Olympians Services Program.

Our 'Joint Executive' continues to pursue a shared vision of being "the leading organization in delivering Olympic and Commonwealth Games activity in the Western Australian community by forging long-term mutually beneficial relationships with business and athletes". With the AOC 'reset', I see increased support for our vision and we will support the pursuit of similar levels of support with our WA Commonwealth Games colleagues and Commonwealth Games Australia to ensure we reflect a true collaborative partnership in the support of athletes in Western Australia

I would refer you to Lisa's report contents which provide comprehensive detail of our last 12 months activities, and I will take this opportunity to thank a number of the organisations and individuals who have given the WAOC and myself support in addition to those already mentioned:

- Sam Castiglione President of ACGAWA,
- Hon Mick Murray MLA Minister for Seniors and Ageing; Volunteering; Sport and Recreation
- Steve Lawrence and the WA Institute of Sport staff
- Members of the WAOC/CGAWA Joint Executive team whom I have had the privilege and opportunity to work, with thanks to member David guest who resigned due to work commitments overseas.

I thank each and every one of you for your commitment.

Lisa and I both look forward to further engaging with the Japanese community here in WA in the lead up to Tokyo 2020, and look forward to planning the 'Activate WA' activities during the 2020 Tokyo Games and working with our State Sporting Association to showcase their sports.

I also eagerly look forward to our Tokyo 2020, fundraising activities and foresee us, as with the last 3 Olympic fundraising campaigns, meeting the challenge of more than 'carrying our weight' when it comes to reaching the State Olympic Council contribution to our Western Australian and Australian members of our 2020 Olympic Team.

GREG KAEDING
President

STATE MANAGER'S REPORT

Leading into an Olympic Games is always an exciting time. The months fly by as the countdown begins. The Games however, are not the only catalyst for exciting times at the Australian Olympic Committee. The changes to the Executive at the AOC following 2016 have culminated in a new look, streamlined AOC focused on best practice in the workplace, community engagement and the health and wellbeing of our Olympians.

In 2017, the AOC committed to implementing all 17 recommendations of the independent cultural review of the organisation. 2018 saw the final implementation of the remaining recommendations and having been involved with the organisation throughout the entire process, I am proud to work for and represent our Olympic movement here in WA. The clear objectives set out for each department and the increased collaboration between colleagues and departments has resulted in a more unified and systematic approach to the way we work. The organisation will continue to evolve whilst aligning all we do with the AOC's values.

A comprehensive review of the AOC was undertaken as part of the cultural review and in collaboration with all stakeholders and staff a revised set of organisational values has been developed which all staff strive towards: Listen and learn; Personal best; Act with integrity; Respect for all; A positive force.

With Daniel Kowalski OAM heading up Olympian Services, we are seeing the introduction of some valuable mental health and wellness tools which will help our Olympians now and when they make the decision to leave elite sport.

The desire to have a greater reach and impact on our community and inspire our youth through sport has seen the successful implantation of the Olympics Unleashed program in QLD and NSW. We look forward to launching the program in WA in 2019 enabling our Olympians to share their stories and inspiring our WA school children. The inspiration piece is not solely focussed on sport; however, it is encouraging the students to be and do the best they can do in whatever is their passion in life, sport, the arts or academia. Important messages for all West Australians.

At the AOC we are cognisant of the ever-changing sporting landscape. With the introduction of Australian Rules Football Women's (AFLW) Competition, it is important we continue to actively promote our Olympic Sports and share the experiences and achievements of our Olympians among the wider the community. Many Olympians I have spoken to over the years say that representing their country is the pinnacle of their career and they wear the Green and Gold with immense pride. The Olympics Unleashed program will achieve this objective.

It is also important we recognise the threat which the money and media exposure of AFLW poses and work with the Government and National Sporting Organisations on strategies to increase participation in Olympic Sports at grass roots level and provide a clear and attractive pathway towards elite level participation in our Olympic Sports. Recent sport funding cuts at Federal and State Level is of concern. Unfortunately, the benefits of sport and participation at any level of competition is not easily measured. Not only are there physical benefits, the mental benefit of participation in sport should not be underestimated. Being part of a team, building resilience and self-esteem and the release of endorphins during exercise all contribute to a healthy individual, both in body and mind and ultimately would decrease the burden on the health budget. However, we see greater spending on health and a reduction in sport funding. Our concern is this will eventually result in an even larger amount being spent on health to cope with increased obesity and mental health issues faced by our community.

Our major focus in 2019 will be fundraising. Andrew Vlahov has been instrumental in the re-building of the Team Appeal Committee and I am grateful for his time and guidance in developing a fundraising program that will attract WA corporate support. Our focus is and always will be our Olympians achieving their dream.

Finally, I would like to acknowledge the support received from our State Sporting Associations, the WA Institute of Sport, VenuesWest and the Department of Local Government, Sport and Cultural Industries. We look forward to further collaboration in 2019 for mutually beneficial outcomes.

I would also like to thank the WAOC Executive and President Greg Kaeding for their continued support and guidance.

LISA LILLEYMAN
State Manager

OLYMPIANS AND THE COMMUNITY

2018 Pierre de Coubertin Awards

Named after the founder of the modern Olympics, the Pierre de Coubertin Awards recognise students who demonstrate the Olympic values of Excellence, Respect and Friendship. 43 WA secondary school students have recently been awarded with the prestigious award.

Students attended the Olympic Academy Day, where they had a once in a lifetime opportunity to learn about leadership, goal setting and resilience from some of WA's Olympic heroes. Olympians Jesse Phillips (Sprint Kayak); Tamsin Cook (Swimming); Danielle Kettlewell (Synchronised Swimming) and Rhys Grant (Rowing) shared with the students their own Olympic journey, their triumphs and challenges. The students also learnt about the Olympic movement and toured the Western Australian Institute of Sports high performance facility.

Following the Olympic Academy Day, Parents and Teachers were invited to the State Presentation Ceremony. 120 guests witnessed the presentation of the awards by dual Olympian Lauren Mitchell (Gymnastics).

Young award winner, Tom Barns was part of the Youth Olympic Games in Buenos Aires for wrestling. He said the presentation "*had not only been a great behind the scenes look at sport at the highest level but was so inspiring and motivating to hear the different athletes' journey, overcoming setbacks and the drive to achieve their dreams*".

OLYMPIANS AND THE COMMUNITY

2018 Champions 2 Country Regional Tour

The “Champions 2 Country” Tour aimed to provide the East Kimberley community an opportunity to be inspired by high profile role models. One of the main objectives is to provide inspiration to the regional youth on issues of healthy lifestyle, leadership, respect, motivation to achieve goals, team work and sharing sporting experiences.

Four athletes joined the 2018 tour sharing their stories and inspiring the communities of the East Kimberley from Tuesday 11 to Friday 14 September.

- Tamsin Cook – Swimming
2016 Olympian Silver Medallist
- Nina Kennedy – Athletics
2018 Commonwealth Games Bronze Medallist
- Sean Pollard – Snowboard
2018 Paralympian, PyeongChang
- Belinda Stowell – Sailing
2000 Gold Medallist, 2004 & 2012 Olympian

OLYMPIANS AND THE COMMUNITY

Over the 4 days the athletes travelled 1200km throughout the East Kimberley, visiting 6 remote towns (Kununurra, Wyndham, Doon Doon, Warmun, Frog Hollow, and Halls Creek), sharing their stories at the 17 school talks, facilitating 2 sporting clinics and participating in 6 community events, inspiring thousands of children across the remote region.

Activities included the launch of registrations at the Kununurra Little Athletics, a Swimming Clinic with the Kununurra Swimming Club, Celebrity Tree planting in the Celebrity Tree Park in Kununurra and a “Meet the Champions” breakfast where approximately 80 guests enjoyed hearing from the athletes and getting the chance to hold Olympic and Commonwealth Games Medals.

Reflecting on the Swim Clinic and Community Breakfast, Tamsin Cook said “it was a great experience and we had the opportunity to chat with everyone and really talk about their hopes and aspirations for the future. I felt like we made real connections”.

Belinda Stowell remarked that all the communities were “so welcoming, and the children so inquisitive and keen to listen – wide eyed and excited about what we had to say. We want to encourage them to Dream BIG and chase their goals! It was so special, and we felt honoured to be invited into these beautiful little community schools, it was incredibly rewarding to be able to engage so closely with the children in these remote schools and be part of the spirit of the bush”.

The average tour day includes visits to 2-3 schools and a community event or sporting clinic. The athletes are generally split into 2 groups, so we are able to visit more students. Promotion of the tour is facilitated locally through the Department of Sport office. Local radio stations and newspapers are always engaged to enable maximum reach and impact in the region.

The Tour is presented by the WA Olympic Council (WAOC) and Commonwealth Games Australia WA (CGAWA) with support from the Department of Local Government, Sport and Cultural Industries (DLGSC). Steph Clements once again did an amazing job managing the tour and was assisted during the tour by WAOC President Greg Kaeding.

and Cultural Industries

OLYMPIANS AND THE COMMUNITY

Olympic Day 2018

Olympic Day is celebrated globally on 23 June every year, providing the perfect opportunity for our Olympians to go out into the community and share their stories and promote the values of Olympism, fundamentally, being the best version of yourself.

In 2018 we celebrated Olympic Day in a variety of ways including visits to local swimming schools and speaking with the children following their swimming lessons. Blair Evans (swimming, 2012 & 2016) and Tamsin Cook (swimming 2016) visited VenuesWest venues at Arena Joondalup and HBF Stadium respectively, giving the children the chance to also hold an Olympic Silver medal and take photos with their swimming heroes.

Visits to schools is also an important part of our Olympic Day celebrations. Jayde Taylor (hockey, 2012) visited John Septimus Roe Anglican Community School, speaking to the students (Yr 11, approx 350 students) about goal setting, overcoming setbacks and believing in yourself.

Our primaries didn't miss out with Blair Evans visiting St Andrews Grammar, where they ran a mini-Olympics complete with the flag ceremony. The whole school (approx 500 students) made a human Olympic Rings. Blair declared the "Games Open" and presented the winners of the Cross Country from Kindy, Pre-primary and Year 1's with a olive laurel wreath. Presentations were also made to 1 boy and 1 girl from yr 1 (who received a mini-boxing kangaroo) for displaying the values of sportsmanship and respect by encouraging their team mates. As a thank you to the school Blair presented a signed Olympic Flag to the Head Boy and Girl which is hanging proudly on their reception wall.

Our Olympians always enjoy visiting with the children at Perth Children's Hospital and bringing smiles to their faces. Jesse Phillips (canoe sprint 2012), Danielle Kettlewell (synchronised swimming 2016), and Tamsin Cook (swimming 2016) visited with patients and hung out in the Starlight room playing games with the children and then finished off the morning with a live intra-hospital television broadcast going out to all children in the hospital, demonstrating some of the Olympic Sports in a hilarious simulated multi-sport competition.

OLYMPIANS AND THE COMMUNITY

Country Week is held in June each year. Around 50 regional schools visit Perth to compete across a variety of Sports. In consultation with School Sport WA, the WAOC was able to present to the Country Week Management Committee regarding the Pierre de Coubertin Awards providing information and promoting the awards as a chance to recognise student leaders within their schools. Country Week, being in June, is the perfect opportunity to reach regional students and promote Olympic Day and the values of Olympism.

Belinda Stowell (sailing 2000, 2008, 2012) was engaged as a key note speaker at the Country Week Leadership Forum where approximately 100 student leaders from high schools across the State gathered to learn about commitment, resilience and leadership. Belinda also participated in the Leaders workshop helping students with their tasks. We appreciate the opportunity to continue to work with School Sport WA and be able to reach the students from Regional WA and have a greater impact on the Regional areas sharing the Olympic Spirit.

Olympic Day was also celebrated at club (grass roots) level with Olympian Natalie Burton (basketball 2016) inspiring the girls of the Perry Lakes Hawks U12's basketball team. Natalie ran a training session for the Team, taking them through a few Olympic Team Training drills and sharing her Olympic experience at the end of the session with the girls able to ask Natalie questions about when she knew that she wanted to go to the Olympics and what type of foods she eats prior to a big game.

The opportunity for young children to learn from their 'heroes' and hear stories of struggle and triumph is so important. Images of Medals and videos of Olympians winning are often seen, however the images and videos of the many days filled with blood sweat and tears are often not. The triumph is important but what we can learn from the journey to that triumph is just as important.

It is also very humbling and rewarding for the Olympians to see the impact they have on the children. The children listening intently and the fact that what they hear may be the catalyst for them making the decision to follow that journey to triumph.

YOUTH OLYMPIC TEAM

The 2018 Youth Olympic Games (YOG) hosted by the Argentinean capital of Buenos Aires were held from the 6–18 October. 88 Australian Athletes competed across 26 Sports with 206 Nations and 400 other Athletes. 13 WA athletes were selected, which equates to nearly 15% of the team, a fantastic result for WA.

Sophie White	Athletics
Thomas Throssell	Athletics
Suzi-Rose Deegan	Basketball 3x3
Caitlin Cooper	Hockey 5s
Jolie Sertorio	Hockey 5s
James Collins	Hockey 5s
Alistair Murray	Hockey 5s
Chris Starkie	Hockey 5s
Rhys Allan	Judo
Nikita Mawhirt	Modern Pentathlon
Alex Myint	Roller Speed Skating
Mani Bisschops	Sailing
Ashton Brinkworth	Swimming
Thomas Barns	Wrestling Freestyle

In the lead up to the team's departure, the WAOC together with WAIS hosted the YOG athletes at an informal gathering where they heard from dual Olympian Allana Slater OLY and 2014 YOG Athlete Declan Carruthers. They discussed what to expect and tips on adapting to a different training and competition environment to enable them to prepare for what was for most, their first international multisport competition.

2018 WINTER OLYMPIC GAMES

The XXIII Winter Olympic Games were held in South Korea from 9 – 25 February. PyeongChang 2018 was the first time Korea had hosted the Winter Olympic Games in 30 years after the Seoul Games in 1988. The Games featured 102 events over 15 disciplines in 7 sports

The 2018 Australian Olympic Team was Australia's second largest Winter Olympic team after Sochi 2014, with 51 selected athletes, 28 men, and 23 women, including 3 Western Australians, David Mari, Lucas Mata and Jessica Yeaton.

Australia won a total of three medals in Korea, matching the number of medals previously won at Sochi and Vancouver.

David Mari made his Olympic debut at the games and competed in the 2 man and 4 man bobsleigh event.

PyeongChang was Lucas Mata's second Olympics, piloting both the 2 man and 4 man bobsleigh events. In the 4 man bobsleigh Australia came 25th and Lucas and David finished 22nd in the 2 Man event.

Olympic debutant Jess Yeaton competed in the most events out of anyone in the Australian Team, racing in five cross-country skiing events, including the grueling 30km Free race. Plus, alongside Jezersek, the duo recorded Australia's best ever Team Sprint Cross Country result, finishing 12th.

Following the Olympics Lucas and David along with their Paralympic colleagues met with the Minister, Hon Mick Murray MLA to share their experience and stories with the Minister.

FUNDRAISING

The Australian Olympic Committee (AOC) is responsible for funding, resourcing and sending the Australian Olympic Team to the Summer and Winter Olympic Games, Youth Olympics and other world class events. The AOC do not receive nor request Federal Government funding for teams or programs, ensuring our independence from political influence.

It will cost \$22,000,000 to send the Australian Olympic Team to Tokyo covering all athlete and official's expenses at the games including flights, accommodation, meals, uniforms, doctors, physio's, psychologists, training venues and transport.

- \$14,000,000 is raised via corporate sponsorships.
- \$8,000,000 is raised through the Australian Olympic Team Appeal, a unified fund that brings all State and Territory donations and corporate fundraising together. Every cent contributed to the Australian Olympic Team Appeal goes directly to supporting our Australian athletes at the Olympic Games. All funds raised go to a separate account, dedicated to the Australian Olympic Team and is separately audited as such. The funds are not used for the general administration of the AOC.

Of the \$8,000,000, WA is responsible for raising \$1,000,000. These funds are raised by our Olympic Team Appeal Committee via corporate engagement in fundraising events and seeking the traditional one third of target State Government contribution. Since 1992, State Governments and Territories (except NT) have supported their respective State's Team Appeal and in 2020, the WAOC will request WA Government support of \$333,000, one third of our \$1,000,000 target

The WA Team Appeal Committee is a volunteer group of WA business leaders, which currently includes 2 prominent WA Olympians, who utilise their corporate and personal networks to garner support for our fundraising activities. Following the 2018 Commonwealth Games the Committee has been through a rebuilding phase and we are still yet to appoint our Chair. Andrew Vlahov OAM OLY has been instrumental in this re-build and the WAOC would like to thank him for his dedication and counsel in developing the fundraising program and the rebuild of the Committee.

Karen Teong	Perth Convention Exhibition Centre
Jay Walter	JWH Group

Their passion and commitment to fundraising for the benefit of our Australian Olympic Team is appreciated by the Council and the Athletes/Olympians alike.

An exciting program of fundraising events is planned for the lead up to the Games. Our first event was held in 2018, the Ambassador to Japan's Business Breakfast. The Honourable Richard Court AC co-hosted the event with AOC CEO Matt Carroll AM in the Wesfarmers Boardroom. We would like to acknowledge and thank them along with Mr Rob Scott, CEO of Wesfarmers for the provision of the Boardroom for the event.

STAKEHOLDERS

State Sporting Associations

Our member organisations are an integral part of the sporting landscape in WA. Their grassroots programs and athlete pathways are the source of our future Olympians and the WAOC enjoys a positive working relationship with all Associations. We continue to run many of our Olympians Club social events in association with the major events run by the State Sporting Associations.

VenuesWest

VenuesWest own and manage many of the facilities where our Olympians and aspiring Olympians train. We thank VenuesWest for their support of our programs and initiatives and look forward to working with them and providing assistance to their programs and services.

The WAOC provide support to the VenuesWest Ambassador Program by promoting the opening of nominations through our Olympic network and providing information and feedback to program coordinators on the nominations received.

Athletes Courtney Bruce (Netball), Sarah Edmiston (Athletics), Nina Kennedy (Athletics) and Conor Leahy (Track Cycling) were selected as Brand Ambassadors for 2018.

WA Institute of Sport

The Western Australian Olympic Council are fortunate to lease office space inside the Western Australian Institute of Sport, the home of high performance sport in WA. The close working relationship between the WAOC and WAIS and the proximity to athletes and their coaches is crucial in relationship development and the resulting positive program outcomes.

WAIS meeting rooms and facilities are hired to host our Council meetings and deliver our various events. The Mondo Track pictured right was used to host our Pierre de Coubertin Award Ceremony, giving a rare opportunity for our public guests to see the inside of the impressive facility. IN the lead up to the 2020 Olympics, Team processing sessions will be held using the Mondo Track and Group Therapy rooms for Channel Seven interviews.

Department of Local Government, Sport and Cultural Industries

A key funding partner of the WAOC and CGAWA joint office is the Department of Local Government Sport and Cultural Industries (DLGSC). Our service agreement with DLGSC is contingent on the following Key Result Areas:

1. Fundraising
2. Community and Athletes
 - Promoting the Olympic values in the WA community.
 - Maintaining relationships with Olympic and Commonwealth Games athletes.
 - Maintaining Olympic and Commonwealth Games history and records.
3. Management and Finance, adherence to best practice.
4. Governance. Transparent sustainable practices.

We are pleased to report each of the areas has been successfully achieved in 2018.

HISTORY & HERITAGE

The WAOC are the proud custodians of WA's Olympic history and are the only organisation in the State to engage regularly with our Olympic alumni encouraging involvement in activities promoting the Olympic vales and inspiring the WA community.

As proud custodians of Western Australia's Olympic history, we continue to be vigilant in maintaining an accurate and comprehensive statistical record; as well as updating detailed contacts for all Olympic Games Alumni. The official records relating to WA's participation at the Olympic Games is made available to the State Government and the general public upon request.

The importance of maintaining contact details for our Olympians is important in engaging them in our Community Programs throughout WA. Through this continued contact we maintain an active relationship with our 400 plus Olympians who actively participate in our educational, community based and social activities and programs.

2018 saw the opening of Optus Stadium and the unveiling of the sporting legend images which line the walls of the East Atrium. WA's first Olympic Gold medallists, John Winter (high jump) and Shirley Strickland (hurdles) feature among the other 19 (6metre x 1metre) images, providing a permanent reminder of our proud Olympic heritage to all patrons of Optus Stadium. With the re-development of Optus Stadium and the Burswood Park parklands, the Olympians walkway plaques and statue were removed and placed into storage by their owners the Burswood Park Board. Communication will continue with the Burswood Park Board to review suitable location for the walkway's re-instatement.

The WAOC will also continue to work with the WA Museum and ensure the inclusion and display of our WA Olympic memorabilia in the new WA Museum opening in 2020.

Secure storage of our Olympic and Commonwealth memorabilia is generously provided by Richard Elkington from e-fire and Safety. We thank Richard for his assistance in providing the secure facility for our precious memorabilia.

Olympians Club of WA at a Hockey Australia Game

GOVERNANCE

WAOC Executive Framework

The Western Australian Olympic Council (WAOC) and the Commonwealth Games Australia Western Australian division (CGAWA) operate under a joint office agreement enabling the conduct of a professional and administratively efficient operation in 2018.

In 2018, three meetings of the WAOC Executive were held. The WAOC audit is funded and managed by the AOC with the services of accounting company EY. The financial statements are prepared by the AOC and reviewed and endorsed by the WAOC. A detailed analysis of the statements can be found on page 32.

Membership

The WAOC represents a total of 30 Constituent State Sporting Association (SSA) members and 4 Recognised SSA members. Members were engaged through invitations to WAOC functions and provided with regular communications via emails and newsletters. In the lead up to Tokyo 2020 the relationships with the SSA's will be important in ensuring we leverage the games and the increased exposure to the Olympic Sports and increase participation levels.

Funding

The AOC fund the office of the WAOC through employment of the State manager. The AOC provide strategic guidance and administration assistance, including finance, payroll and audit. The 2018 funding model is based on the fundraising targets of each State Office and funds appropriated accordingly.

Financial support for joint office is also granted by the WA Government through the Department of Sport. The State Government funding enables the office to build capacity in the community and provides the State Government with a value-added return on its investment in elite sport in WA. With budgetary pressure faced by State Government departments in more recent times, funding to the WAOC office has decreased, however we will continue to work with the Government to ensure they are aware of the importance of our work in the community.

Our community benefit is difficult to measure and the benefit of the mobilisation of our Olympians, sharing their stories with the community, should not be underestimated.

State Sporting Association membership affiliation fees also contributed to the WAOC income in 2018.

Australian Olympic Committee

2018 was a remarkable year for the AOC, having gone through a cultural and ethics review in 2017 and implementing organisation wide changes in 2018, positively affecting the way we work and how our programs are delivered. The AOC reset was the focus for much of 2017, however 2018 saw the AOC evolution.

The AOC has dedicated a lot of time reviewing work practices and policies. Greater contact and collaboration with the national office has increased the efficiency of our shared resources and ensures all the states have consistent messaging around our programs. Increased communication with the Public Affairs and Communication department enables national exposure for our local programs reinforcing our One Team approach.

Commonwealth Games Australia WA Division Funding

Whilst not directly a funding partner of the WAOC, we acknowledge the financial contribution of the CGAWA division in recognition of event management service provision for the delivery of the Commonwealth Games Athlete Farewell Luncheon.

OLYMPIANS CLUB OF WA

Champions 2 Country Regional Tour

The annual WA Champions 2 Country Regional Tour was held from the 11th - 14th September touring the East Kimberley and visiting 6 remote towns (Kununurra, Wyndham, Doon, Warmun, Frog Hollow, and Halls Creek), sharing their stories at the 17 school talks, facilitating 2 sporting clinics and participating in 6 community events, inspiring thousands of children across the remote region.

The tour aims to provide the East Kimberley community an opportunity to be inspired by high profile role models. One of the main objectives is to provide inspiration to the regional youth on issues including healthy lifestyle, team work, leadership, respect, motivation to achieve goals, and sharing sporting experiences. The full story and more images can be found on page 11 of this report.

We are fortunate our Athletes are committed to “giving back to the community” as a way of recognising and appreciating the support provided by the people of Western Australia during their Olympic and Commonwealth Games campaigns.

Pierre de Coubertin Awards

On 1 September many of our Olympic Alumni shared their Olympic journey with the recipients of the 2018 Pierre de Coubertin Awards. Master of Ceremonies Jesse Phillips (Sprint Kayak 2012) facilitated the Academy Day and Presentation Ceremony where recipients heard from Danielle Kettlewell (Synchronised Swimming 2016), Rhys Grant (Rowing 2016) and Tamsin Cook (Swimming 2016) learning about leadership, goal setting and resilience.

Golden Anniversaries

On 1 November we recognised our Olympic Gold Medal Anniversaries for the Olympic years ending in 8. Lyn McClements, 1968 Swimming Gold Medalist, which still stands as WA's only individual swimming Gold Medal. Joining Lyn were members of the 1988 Gold medal winning Hockey team, Lee and Michelle Capes, Sally Carbon, Elspeth Clement, Rechelle Hawkes, Jackie Pereira and Liane Tooth. The West Australian Newspaper captured the group and it was a great chance to reminisce and share memories.

OLYMPIANS CLUB OF WA

Annual Christmas Lunch and AGM

On 25 November we again held our Christmas lunch at the beautiful Frasers Restaurant at Kings Park. This year the lunch was themed as *Golden Women* celebrating our Olympic Gold Medal winning women and the 50th, 30th, 20th and 10th anniversaries of the Olympic years ending in 8. A big thanks to Paul Cumming from Phenomenon Creative Events who provided various complimentary items to assist with decorating the room. The event was attended by 99 people, including 48 Olympians and 2 Paralympians, who between them as athletes, coaches, medical and team managers have attended 103 Games (Summer, Winter and Paralympics) and won 17 Medals (11 Gold, 3 Silver, 3 Bronze). The day included a tribute video to Shirley Strickland and an interview panel with our female Olympic Gold Medalists Lyn McKenzie (swimming), Hockeyroos Sally Carbon, Elspeth Denning, Jackie Pereira and Liane Tooth, Danielle Woodhouse (water polo) and Belinda Stowell (sailing). There was also an interview panel with representatives from the 1968, 1988 and 2008 Olympic Games made up of Brian Miller (hockey), Fiona Wildy (swimming), Richard Pengelly (water polo), Andrew Vlahov (basketball), Nat Bale (rowing) and Eric Pearce (hockey). A fun, interactive electronic Olympic Quiz focused on *Women* at the Olympics was also conducted. The Christmas raffle proceeds of \$1,110 will again be donated to Mission Australia's Perth Christmas Lunch in the Park for the disadvantaged.

OCWA Fundraising

A massive thank you to Brian Miller (Medical 1984 (UK), 1988, 1992 x 2, 1996 (UK), 2016) who recently spearheaded a fundraising effort utilising his business contacts to raise funds for OCWA. All companies who contributed were recognised on the day and the OCWA Committee thanks everybody who generously contributed. These donations will allow the OCWA Committee to continue to offer high quality, low cost events and has offset the need to request voluntary contributions from our alumni.

The OCWA aims to conduct events that appeal to a wide range of our Olympians, and will continue to look for opportunities host functions in conjunction with local sporting events, Olympic anniversaries and the WA Olympic Council. The OCWA Committee also acknowledges and thanks Lisa Lilleyman at the WAOC for the terrific support she provides to OCWA.

WESTERN AUSTRALIAN OLYMPIC COUNCIL INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 December 2018

(1) CORPORATE INFORMATION

The financial report of the Western Australia Olympic Council Inc. ('WAOC' or the 'Council') for the year ended 31 December 2018 was authorised for issue in accordance with a resolution of the Executive on 5 March 2019.

The Western Australian Olympic Council Inc. is an Association incorporated under the Associations Incorporation Act 2015 of Western Australia and is domiciled in Western Australia.

The principal place of business is C/- WAIS, 10 McGillivray Rd, Mount Claremont, Western Australia 6010.

The nature of the operations and principal activities of the Council are that WAOC acts to develop and protect the Olympic movement in the state of Western Australia in accordance with the Olympic Charter and the Constitution of the Australian Olympic Committee Inc. and to actively promote the fundamental principles of Olympism within the framework of sports.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Basis of preparation

This special purpose financial report has been prepared for distribution to the members of the Council to fulfil the Executive's financial reporting requirements under the Associations Incorporation Act 2015 of Western Australia and the Council's constitution. The accounting policies used in the preparation of the financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Act 2015 of Western Australia and the Council's constitution, and are, in the opinion of the Executive, appropriate to meet the needs of members:

- (i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.
- (ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to, the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Act 2015 of Western Australia and the Constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality' and AASB 1048 'Interpretation and Application of Standards' which apply to all entities required to prepare financial reports under the Associations Incorporation Act 2015 of Western Australia and the Constitution.

WESTERN AUSTRALIAN OLYMPIC COUNCIL INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 December 2018

(a) Basis of preparation con't

The Executive has determined that in order for the financial report to give a true and fair view of the Council's performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the Council for the annual reporting period ended 31 December 2018. The Executive has not early adopted any of these new or amended standards or interpretations. The Executive has not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. **Income received at balance date that is in relation to future years is brought to account as unearned income.** Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government Grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue realised by the WAOC is recorded directly in the financial statements of the AOC.

At 31 December 2018, the WAOC had raised (\$872) for the 2017 – 2020 Olympic Team Appeal (2017: \$139 for the 2013 – 2016 Olympic Team Appeal).

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The WAOC is exempt from Australian income tax.

WESTERN AUSTRALIAN OLYMPIC COUNCIL INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 December 2018

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES – con't

(g) Cash and cash equivalents

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue raised by the WAOC is recorded directly in the financial statements of the AOC. WAOC does not have a bank account and for administrative purposes, all cash transactions are processed by the AOC. The net cash position is reflected in a net receivable account at year end (refer note 5).

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried out at original invoice amount less an allowance for any uncollectible amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Plant and equipment

Acquisitions

Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impaired value.

Depreciation and amortisation

Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 3 to 5 years from the date of acquisition.

Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the Council would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the Statement of Comprehensive Income.

(j) Trade and other payables

Expenditure is brought to account on an accrual's basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.

WESTERN AUSTRALIAN OLYMPIC COUNCIL INC.
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED 31 December 2018

(k) Employee benefits and expenses

(i) *Wages, salaries, annual leave and long service leave*

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) *Superannuation*

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under **Superannuation Legislation Amendment (Choice of Superannuation Funds)**. Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the Statement of Comprehensive Income when due. All employees in the group employee superannuation scheme are entitled to benefits on retirement or permanent disability. Benefits are payable to nominated beneficiaries on death.

(l) Interest

'Interest paid' and 'Interest received' are not classified in the Statement of Cash Flows as WAOC has no bank account. Interest recorded and applied in the Statement of Comprehensive Income has been received by the WAOC, based on deposits held by the AOC on behalf of the WAOC. Interest is recorded when received and used in the general operations of the WAOC.

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies, the WAOC evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to WAOC. Actual results may differ from the judgements, estimates and assumptions.

(12) KEY MANAGEMENT PERSONNEL

Compensation of Key Management Personnel relate to the following categories only:

Short-term employee benefits	70,926	73,938
Post-employment benefits	6,738	7,024
	<u>77,664</u>	<u>80,962</u>

Apart from the Executive Director, Members of the Executive serve on an honorary basis for no remuneration.

(13) AUDITORS REMUNERATION

Costs of the audit of the WAOC are borne by the Australian Olympic Committee Inc.

(14) GOING CONCERN

The financial statements have been prepared on a going concern basis.

The Council's ability to continue as a going concern is dependent on **receiving ongoing support** from the Australian Olympic Committee Inc. and government grants. The Executive has prepared a forecast for the 2019 year which indicates that with the support of the Australian Olympic Committee Inc. the council will be able to meet their financial obligations as and when they fall due.

On that basis the Executive believe it is appropriate to adopt the going concern basis in the preparation of these financial statements.

DECLARATION BY THE MEMBERS OF THE EXECUTIVE
FOR THE YEAR ENDED 31 December 2018

In the opinion of the Executive of the Council:

- (a) the financial statements and notes of the Council as set out on pages 32 to 42 are drawn up so as to give a true and fair view of the Council's financial position for the year ended 31 December 2018 and of their performance for the year ended on that date; and
- (b) the financial statements and notes have been prepared in accordance with the basis of accounting described in Note 2; and
- (c) there are reasonable grounds to believe that the Council will be able to pay its debts as and when they become due and payable.

This statement is made out in accordance with a resolution of the Executive.

Signed on behalf of the Executive at Perth this 5 March 2019.

GREG KAEDING
President

ALLANA SLATER OLY
Vice President

Opinion

We have audited the financial report, being a special purpose financial report, of the Western Australian Olympic Council Inc. (the Association), which comprises the statement of financial position as at 31 December 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the Statement by the Members of the Executive.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 31 December 2018, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Reliance

We draw attention to Note 2 to the financial statements which describes the basis of accounting. The financial report is prepared to assist the Association to meet the requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Association and the Executive of the Association (collectively the Recipients) and should not be distributed to parties other than the Recipients. A party other than the Recipients accessing this report does so at their own risk and Ernst & Young expressly disclaims all liability to a party other than the Recipients for any costs, loss, damage, injury or other consequence which may arise directly or indirectly from their use of, or reliance on the report. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The Association's Executive is responsible for the other information. The other information obtained at the date of this auditor's report is the Statement of Fundraising Statement accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Executives for the Financial Report

The Association's Executive is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 2 to the financial statements is appropriate to meet the requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution and is appropriate to meet the needs of the members. The Executives' responsibility also includes such internal control as the Executive determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Executive is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Executive either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executives.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE WESTERN AUSTRALIAN OLYMPIC COUNCIL INC.
PAGE 3

- Conclude on the appropriateness of the Executives' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation

We communicate with the Executive regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
