

Do you dream
of being the
best you can
be on and off
the sporting
field?

ey.com/careers

The better the question. The better the answer
The better the world works.

EY

Building a better
working world

EY Sporting Employment Program Australia

What? A flexible employment program offering on the job learning as part of high performing EY teams

Why? Because EY believes in the power of sport to inspire us to be the best versions of ourselves

Who? Australian elite athletes pursuing their sporting dreams who want to progress their professional career without impacting their performance goals

When? Applications close 29 September 2017

How? Send a CV and letter detailing your career and sporting aspirations to eliteathletes@au.ey.com

More information? Contact eliteathletes@au.ey.com

How much? Athletes will be paid competitive salaries for their level and workload
