2015 PRESIDENT'S REVIEW

This last year has been extremely busy for the NSW Olympic Council, for as well as our fundraising and education activities, the team has rolled out the IGNITE series of athlete seminars to prepare our athletes for the Rio Olympic Games. All prospective Rio athletes and their coaching and management personnel were engaged in presentations highlighting the history of the Australian Olympic Team involvement since 1896, and outlining the expectations of the 2016 Team Management to create a unity of purpose - "one team" - in achieving a life best experience for each athlete. These sessions incorporated many Olympians from past Games who shared their stories and inspired our prospective athletes to 'ignite the passion' to be the best that they could be!

Late last year, as a follow-on from IGNITE, we were again involved in two of the ASPIRE athlete seminars, with the third and final NSW session held earlier this month. These sessions covered team processing and uniform sizing, but importantly, the athletes were presented with a 'snapshot' of what to expect in Rio from their Olympic Village accommodation, transport, security and health matters to how to interpret the AOC Team Agreement, anti-doping requirements and the management of social media.

Women Rugby 7's Team
2015 Pacific Games

For the first time ever, Australia and New Zealand were invited to participate in four sports at the Pacific Games, held in Port Moresby from 4-18 July, 2015. Under the leadership of our own gold medal Olympian, Malcolm Page, as Chef d' Mission, Australia won 47 medals with only 43 athletes - 16 from NSW, in the sports of Rugby 7's, Sailing, Taekwondo and Weightlifting. These young athletes made such a positive impression that the Pacific Games Council (PGC) is proposing that Australia and New Zealand be included in

future Games, with an increase in sports. This decision will be made at the PGC Annual Meeting in Vanuatu in May, 2016. A highlight of the PNG experience was a visit to the Bomana War Cemetery, and welcoming Ezekial Tindeppa, grandson of the original Fuzzy Wuzzy Angel (battle of Buna-Gona) as the Australian Team's driver.

The Athlete Grant Program, introduced in 2014, has gone from strength to strength which indicates the depth of talent amongst young athletes, as well as their need for financial assistance. In 2015 five scholarships were awarded to athletes from Sailing, Water Polo, Athletics, Fencing and Triathlon, from a total of 196 applications.

With a significant increase in applications this year (411), the recipients of the 2016 Athlete Grants will be announced at the 2016 Annual General Meeting.

At the AOC 2015 Annual Meeting, the Constitution was changed to recognise Australia's Indigenous heritage by the addition of a clause "To recognise the heritage, culture and contribution of our nation's first people, and to give practical support to Indigenous reconciliation through sport". To this end the AOC supported the Indigenous Marathon Project - a 10km indigenous Relay run around the base of Uluru by sending five athletes (including three indigenous Olympians) and three staff members - forming two relay teams. The weekend was an outstanding success, and rated as one of the most historical and culturally significant events ever witnessed.

On the education “front” we continued with on-line nomination forms for the Pierre de Coubertin Award, noting an increase in take-up by schools to reach 306 applications. We were delighted to involve the Olympians who shared their journeys with our students at the Academy Day and Award Presentation – our thanks to Scott Kneller (Ski Cross), Stephanie Magiros (Snowboard), Youcef Abdi (Athletics) and Kitty Chiller (Modern Pentathlon) and Chef de Mission of 2016 Australian Olympic Team.

Helen Brownlee, 2015 Pierre de Coubertin State Presentation

A number of athletes celebrated the 2015 Olympic Day in June by visiting schools and sharing their experiences. Olympians Bec Rippon (Water polo) and Stephanie Magiros (Snowboard) visited All Hallows Catholic Primary School; Jarryd Hughes

(Snowboard) inspired students from Monte Sant' Angelo Mercy College and Michelle Jenneke (Athletics) visited North Epping Primary School. In addition Cycling Australia, in conjunction with Cycling NSW, supported Olympic Day by running a “Let’s Ride” session at North Narrabeen Public School, tripling the participation numbers from previous weeks.

Continuing the Olympic Day Celebrations in July, the AOC attended the inaugural National Primary Games, held in Tamworth and hosted by the Northern Inland Academy of Sport. Olympians Lyndsie Fogarty (Canoe/Kayak) and Stephanie Moorhouse (Gymnastics) promoted Olympism to some 1500 young athletes as well as sharing their Olympic journeys.

The Pierre de Coubertin International Youth Forum was held in Piestany, Slovakia in late August, followed by a week of homestay in Austria. Harry Shaw (Pittwater House) and Jack Newman (Maitland Grossman High) represented NSW, with Sarah Burston joining the management team for this unique experience.

In 2015, Jindabyne Central School was linked with the Norwegian School at Gaudsal, prior to the Youth Olympic Winter Games, held in Lillehammer from 12 – 21 February, 2016. Details of Australia’s success in Lillehammer features later in this Report.

We are grateful for the financial support of the AOC and NSW Sport & Recreation for office administration and the conduct of our core programs, which has enabled so much to be achieved over the past year, particularly in the field of education. NSWOC again gifted \$50,000 to the Australian Olympic Foundation on the basis of receiving a quarterly cash grant from the AOC. A special thank you to the AOC President, John Coates for his continuing support and the AOC staff who so generously assist NSWOC on a daily basis.

Our Fundraising Committee, under the leadership of John Conde, is continuing their quest to raise \$2.2M for the Olympic Team Fund. The ‘One Year to Go’ Dinner held on Wednesday 5 August, 2016 was a great success, and the Rio 2016 Athlete Farewell dinner is scheduled for Wednesday 18 May, 2016. Further fundraising initiatives are detailed later in this Report.

At the 2014 Annual General Meeting the Order of Merit was awarded to Mrs Lynn Parker (Paddle NSW) and Matthew Dunn (NSW Swimming) for their outstanding voluntary contribution to their respective sports, and the significant impact they have made at a ‘grass roots’ level. As you know, our work in NSW relies heavily on the commitment of our member sports. The organisation of exemplary programs across the state is a credit to your personal dedication, along with the large number of volunteers who so cheerfully support your respective organisations in the delivery of sport. Your dedicated efforts enable so many athletes to realise their dreams.

It is with sadness that we acknowledge the passing of our Life Member, Arthur Tunstall on 11 February, 2016 at 93 years of age. Arthur spent more than five decades as a sport administrator for Boxing, including 30 years as the Secretary-General of the Australian Commonwealth Games Association. Despite his often outspoken comments, Arthur was loved and respected around the world. Along with his late wife Peggy, they formed a formidable team which shaped the future of sport in Australia.

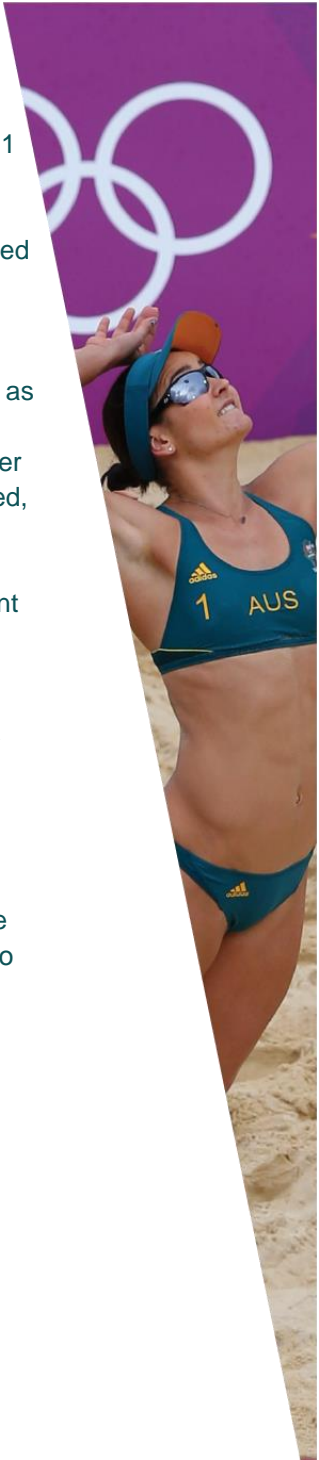

Arthur was in so many respects a great Australian pioneer. Many of us knew him personally as a lovable larrikin who bounced through life in true Australian style. His loyalty was without peer, and so many of us have benefited by having Arthur 'in our corner'. We are indeed richer for his energy, generosity and commitment. Arthur inspired us all and will be definitely missed, but never forgotten.

In conclusion I acknowledge the efforts of our Executive Director, James Edwards, and Event Manager, Sarah Burston, who have managed the Council's activities with cheerful professionalism. In many respects they provide leadership for the other States, and in so doing, enhance the image of the NSWOC. My sincere thanks are also extended to the members of the NSWOC Executive, Doug Donoghue, Geoff Davidson, Shane Alvisio, Peter Hadfield, Peter Lozan, Betty Moore and Carolyn Toh, for their ongoing loyalty and valuable contribution to our work.

As we approach the Olympic Games in Rio, the focus is unashamedly on our athletes and providing the best conditions we can manage to enable them to achieve success. May those athletes selected for Rio feel encouraged to be part of 'one Team', and take up the Rio Motto to "*Live Your Passion*".

2015 EXECUTIVE DIRECTOR'S REVIEW

The New South Wales Olympic Council's (NSWOC) remit is built around fundraising for the summer Olympic Team, Olympic education, advocacy for athletes and support for Olympians. On all fronts the NSWOC was heavily engaged in 2015 as the momentum builds ahead of Rio 2016.

The NSWOC plays an ever increasing role in Australia's Olympic Movement. In 2015 the NSWOC collaborated with the Australian Olympic Committee (AOC) on many initiatives, with the NSWOC assisting the delivery of the AOC's Culture and Values event series preparing NSW athletes ahead of Rio 2016.

The 'One Year to Go' Team Appeal Dinner was held at The Star on 5 August 2015. The dinner attracted 700 guests including 70 Olympians. The NSW Team Appeal Committee, Chaired by John Conde AO brought together many of Australia's leading businesses in an outstanding support of the Australian Olympic Team.

The night was themed around the Rio carnivalé with Rhythm Brazil and Todd McKenney

2016 Rio 'One Year to Go' Dinner

leading the entertainment. Event partners The Star transformed their event centre with six giant screens to present the Olympic preview dinner in dramatic style.

The Premier of NSW the Hon Mike Baird MP stated his enthusiasm for the Olympic ideals in his encouragement of

the Team. The NSW Government has led by example in support our Olympic Team by providing \$500,000 to the Team Appeal.

The second of Sydney's major corporate dinners is set for 18 May at The Star. The Athlete Farewell Dinner will celebrate our Olympic Team a few months prior to the Games commencing.

Over three quarters of Olympic athletes typically come from Australia's regional areas. To complement our major dinners in Sydney, the NSWOC stages events in New South Wales regions and for the 2016 campaign we have focused on the Hunter, Illawarra and Western Sydney regions.

The Hunter Team Appeal Committee, led by its Chairman Mike Rabbitt OAM staged the Hunter Olympic Dinner on 5 March 2016 at Wests New Lambton. The Committee rose to the challenge and delivered an outstanding dinner supported by over 300 guests from local companies and sporting groups. We were privileged to hear Olympic great Herb Elliot AC MBE interviewed by the great sports journalist Gerry Collins on Herb's career and attitude to life. Local athletes aspiring for Rio Will Ryan (Sailing), Benn Harradine (Discus) and Scott Westcott (Marathon) provided their unique perspectives on their sacrifices and challenges on their journey to the Rio Games.

To complete the Team Appeal events the NSWOC looks forward to working with the Carbine Club of NSW, and Team Appeal Committees in Western Sydney and the Illawarra.

In Olympic education the NSWOC oversaw another outstanding take up of our Pierre de Coubertin Award, which continually involves over 300 participating schools. The Pierre de Coubertin Academy is a highlight of the year with many outstanding young Australians participating.

The NSWOC was very pleased to assist the NSW Olympians Club once again in 2015. The highlight was the cocktail function on the 18th September, celebrating 15 year anniversary of Sydney 2000 and attended in good numbers by Olympians across many years and sports.

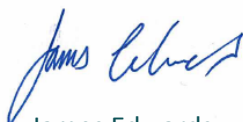

The NSWOC was also pleased to be involved in the initiative by Olympic Swimmer Daniel Kowalski OAM to organise a float in the Sydney Mardi Gras, under the banner of #OneTeam. It was endorsed by the AOC and the Australian Paralympic Committee and supported by NSW based Olympians across all years.

The NSWOC's Athlete Grant for junior athletes has proved incredibly popular again. For the 2015/16 offer the NSWOC Executive increased the offer to five grants of \$1,500, gratefully distributed through NSW sports. Over 400 + junior athletes applied, demonstrating the hunger for funding amongst junior sporting families.

Congratulations to Helen Brownlee OAM, President NSWOC and Vice President AOC who in May 2015 was recognised by the International Olympic Committee (IOC) with the Olympic Order for her contribution to world sport and her dedication in upholding the Olympic ideals. In November 2015 Helen was inducted into the Sport Australia Hall of Fame as a General Member for her services as a sports administrator within the sport of Canoeing and within the Olympic Movement. Helen has been a pioneer for women in sport and is the first female Vice President of the AOC. Helen has also devoted much of her life to Canoeing, firstly as a competitor and then an international administrator covering no fewer than six Olympic Games. On both fronts, these awards are befitting a life dedicated to sport.

My sincere thanks to Olympians in NSW, our Sports, Helen Brownlee and the NSW Executive and Appeal Committees who volunteer their time and effort to prepare our 2916 Team and build the Olympic Movement. A special thanks to our Event Manager, Sarah Burston who is driving the NSWOC's programs to new levels, for the betterment of all athletes.

I look forward to sharing with all Sports and Committees that comprise the NSWOC the road ahead to Rio and in support of our athletes.

LILLEHAMMER 2016 WINTER YOUTH OLYMPIC GAMES

Australia's 17 athletes made history at the second Winter Youth Olympic Games, winning a total of four individual medals and one team medal to become Australia's most successful Winter Olympic Team on record.

The Aussies pulled off a total of 11 top ten performances in what Australian Chef de Mission Ian Chesterman classed as "an outstanding result from the next generation of Australia winter sport athletes."

Of the 17 athletes selected, eight were from NSW meaning that nearly half of the Australian team were NSW athletes. Of the 5 medals won, 3 were won by athletes from NSW.

OLYMPIC EDUCATION

2015 PIERRE DE COUBERTIN AWARDS

The Pierre de Coubertin Award is granted by the AOC to senior students who are nominated by their school for displaying excellence in sport and importantly, demonstrating values that reflect the Olympic Movement. In 2015, New South Wales had a total of 306 Award recipients for the Pierre de Coubertin Awards this was an increase of 64 from 2014.

For the second year the Awards were delivered online via the AOC's Olympic Education website. The online format elicited a positive response from participating schools and is allowing the AOC to have more frequent communication regarding the Olympic Education.

This year the Olympic Academy was held at the New South Wales Institute of Sport (NSWIS) followed by the State Presentations at the Hall of Legends in the State Sports Centre, Sydney Olympic Park on Friday, 19 June 2015.

In 2015 NSWIS Senior Personal Excellence Advisor, Gina Rees conducted a workshop with the students on goal setting. It was wonderful to work together with NSWIS to provide students with practical resources that will assist them setting, pursuing and achieving their goals.

An outstanding group of Australian Olympians joined the Academy including, Winter Olympian Scott Kneller (Vancouver 2010, Sochi 2014 – Ski Cross) and Youth Ambassador for the 2016 Winter Youth Olympic Games, Stephanie Magiros (Sochi 2014 – Snowboard) and Youcef Abdi (Beijing 2008, London 2012 – Athletics). Our Olympians shared their unique Olympic Journey's with students.

In the afternoon parents and teachers gathered at the Hall of Legends where students were recognised at the State Award Ceremony. Having spent a full day with the 2015 cohort, the NSW Olympic Council was very impressed by the exceptionally high calibre of students who were nominated for this Award.

The State Presentation was attended by special guest Kitty Chiller, Chef de Mission of the 2016 Australian Olympic Team, who presented each student with their Award and addressed the students, parents and teachers about her Olympic journey and 'the Road to Rio'.

This year, the grant had an astonishing number of nominations with a total 190 from a range of athletes competing in Olympic Sports. This was an increase of 70 applications from 2014

Recipients for 2015 were; fencer Matthew Dall'Asen (16) from Wahroonga, water polo player Kiara Holden (16) from Engadine, sailor Kurt Hansen (18) from Davistown, triathlete Lorcan Redmond (15) from Mayfield and hammer thrower Alexandra Hulley (18) from Rouse Hill who was a silver medallist at the 2014 Youth Olympic Games in Nanjing.

OLYMPIANS CLUB OF NSW: PRESIDENT'S REVIEW

2015 saw a continuation of the focus on events relevant to our members based on feedback received from NSW Olympians.

Our major event for the year was a celebration of the 15th Anniversary of the Sydney Olympic Games for Olympians and their partners at North Bond Surf Club, the home of Beach Volleyball in 2000.

Many thanks to IOC Member Phil Coles, Life Member of the Bondi Surf Club for his generous hospitality and to all Olympians who supported the event.

Olympians Club Committee Member Amy Hetzel (Beijing 2008, Bronze Medallist, Water Polo) interviewed Sydney Gold medallists Chris Fydler OAM (Barcelona 1992, Atlanta 1996, Sydney 2000, Gold Medallist, Swimming) and Kerri Pottharst OAM (Atlanta 1996, Bronze Medallist, Sydney 2000, Gold Medallist, Athens 2004, Beach Volleyball) and Taryn Woods OAM (Sydney 2000, Gold Medallist, Swimming) was the lucky winner of the raffle, a portrait sitting with artist Charles Billich.

2016 will be a busy year for the Olympians Club leading into the Rio Games. We will conduct a pre Rio event at a Brazilian restaurant in June to wish our 2016 Olympic Team well. This event will particularly provide the opportunity for our 1956, 1976, 1996 and 2006 Summer and Winter Olympic team members to get together to reminisce over old times. We will also work in conjunction with the AOC to welcome back our Olympians after the 2016 Games.

Thank you to our Olympians Club Ambassadors who have been instrumental in increasing the numbers of Olympians attending our events.

I would also like to thank the Olympians Club Executive Members for their significant contribution to the success of the Club and the events conducted this year.

Finally, sincere thanks to the AOC and the NSW Olympic Council for their ongoing support of the Olympians Club, particularly Meg Sissian, Sarah Burston and James Edwards.

I look forward to meeting as many Olympians as possible at our events over the next year.

(1) CORPORATE INFORMATION

The financial report of the New South Wales Olympic Council Inc. ('NSWOC' or 'Council') for the year ended 31 December 2015 was authorised for issue in accordance with a resolution of the Executive on 3 March 2016.

The NSWOC is an Association incorporated under the Associations Incorporation Act, 2009 of New South Wales and is domiciled in New South Wales. The principal place of business is Suite 402, Level 4, 140 George Street, Sydney, NSW, 2000.

The nature of the operations and principal activities of the Council are that it acts to develop and protect the Olympic movement in the state of New South Wales in accordance with the Olympic Charter and the Constitution of the Australian Olympic Committee Inc. The NSWOC assists the AOC in raising funds for Australian athletes to prepare for and participate in Olympic Games; liaise with State Government, Departments and Institutes of Sports; assist the Olympians Clubs by providing administrative and personnel support; liaise with education authorities concerning the Olympic Movement, provide Olympic educational material when required and promote Olympism within the framework of sports.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Basis of preparation

This special purpose financial report has been prepared for distribution to the members of the Council to fulfil the Executive's financial reporting requirements under the Associations Incorporation Act 2009 of New South Wales and the Council's constitution. The accounting policies used in the preparation of this financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Act 2009 of New South Wales and the Council's constitution, and are, in the opinion of the Executive, appropriate to meet the needs of members:

- (i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.
- (ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to, the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Act 2009 of New South Wales and the Council's constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality' and AASB 1048 'Interpretation and Application of Standards' which apply to all entities required to prepare financial reports under the Associations Incorporation Act 2009 of the New South Wales.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2015

(a) Basis of preparation con't

The Executive has determined that in order for the financial report to give a true and fair view of the Council's performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the council for the annual reporting period ended 31 December 2015. The Executive has not early adopted any of these new or amended standards or interpretations. The Executive has not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. Income received at balance date that is in relation to future years is brought to account as unearned income. Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The NSWOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue realised by the NSWOC is recorded directly in the financial statements of the AOC.

At 31 December 2015, the NSWOC had realised \$1,153,620 for the 2013 – 2016 Olympic Team Appeal (2014: realised \$642,614)

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The NSWOC is exempt from Australian income tax.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

(g) Cash and cash equivalents

The NSWOC undertakes fundraising on behalf of the Australian Olympic Committee Inc. ('AOC') and, as a result all of the funds realised by the NSWOC are recorded directly in the financial statements of the AOC. At 31 December 2015 the NSWOC had no bank account and for administrative purposes all cash transactions are processed by the AOC and the net cash position is reflected in a net receivable account at year end (refer Note 5).

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried at original invoice amount less an allowance for any uncollectable amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Plant and equipment

Acquisition

Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impairment in value.

Depreciation and amortisation

Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 3 to 5 years from the date of acquisition.

Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the NSWOC would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses would be recognised in the Statement of Comprehensive Income.

(j) Trade and other payables

Expenditure is brought to account on an accruals basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

(k) Interest

'Interest paid' and 'Interest received' are not classified in the Statement of Cash flows as NSWOC has no bank account. Interest recorded and applied in the Statement of Comprehensive income has been received by the NSWOC, based on deposits held by the AOC on behalf of the NSWOC. Interest is recorded when received and used in the general operations of the NSWOC.

(l) Employee benefits and expenses

(i) Wages, salaries, annual leave and long service leave

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave, are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) Superannuation

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under Superannuation Legislation Amendment (Choice of Superannuation Funds). Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the statement of comprehensive income when due. All employees in the group employee superannuation scheme are entitled to benefits on retirement or permanent disability. Benefits are payable to nominated beneficiaries on death.

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies the NSWOC evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to the NSWOC. Actual results may differ from the judgements, estimates and assumptions.
