ABOUT US

OUR VISION

To be the leading organisation in delivering Olympic and Commonwealth Games activity to the Western Australian community by forging long-term, mutually beneficial relationships with business and athletes.

OUR MISSION

To share the Olympic and Commonwealth Games experience with as many Western Australians as possible including athletes, corporate, Government and the wider community.

OUR VALUES

- To be a transparent, responsible and sustainable organisation.
- To be a market leader in corporate partnerships and events.
- To be the sole agency that manages relationships with the Olympic and Commonwealth Games alumni.
- To act in a professional manner in all organisational activity.

Western Australia enjoys an outstanding Olympic history that dates back to 1912. The achievements of our Western Australian athletes at the Olympic Games are a source of pride for all Western Australians.

The Australian Olympic Team is the embodiment of our nation's hopes, dreams and desires. The Team links the faces and names of past and present athletes across the boundaries of time and distance.

The Olympic Games provide opportunities for Western Australian athletes to compete against the world's best in a competition that promotes a spirit of friendship, solidarity and fair play.

The Australian Olympic Movement promotes to the youth of Western Australia values such as respect, aspiration and team work.

As proud custodian of the Olympic Movement in Western Australia, the Western Australian Olympic Council is committed to:

- promoting the Olympic ideals and values to all Western Australians;
- supporting and commemorating Western Australian athletes and officials aspiring to and achieving selection in the Australian Olympic Team;
- maintaining and celebrating the statistical and historical achievements of these outstanding Western Australians;
- ensuring an Olympic legacy for Western Australia

Dear delegates and member associations of the WA Olympic Council.

The content of my address this evening appropriately has a focus on the calendar year 2017 and as such reports on the joint programs and initiatives of the WAOC and CGAWA in the lead up to our major fundraising event for the members of the Australian Team to the Commonwealth Games recently held on the Gold Coast.

We are now just over 24 months from the Tokyo Olympic Games which commence on the 24th July 2020, and the imperative for our office is to raise our share of the State Olympic Councils target of \$8,000,000 towards the \$20,000,000 cost of sending our Australian Olympic Team to Tokyo.

Once again the Australian Olympic Committee will remain independent of Australian Government funding in sending its team to Tokyo, and as such the role for our organisation and the public of Western Australia is to ensure funds are raised to maintain that independence of national government funding, so that Australian athletes may compete and exhibit their sporting talents in an atmosphere free of any political influence.

FUNDRAISING

We have just been through the fundraising cycle with our colleagues in the Commonwealth Games Australia WA Division (ACGAWA) in meeting their fundraising target of \$180,000 to send off our Australian Commonwealth Games Team.

The economic climate remains fairly sedate in Western Australia and certainly the businesses that have been the traditional sources of funds remain conservative in their willingness to embrace and contribute towards our initiatives.

Nevertheless, there is an air of optimism and it is certainly our objective to pursue that vigorously and reach what I believe is an optimistic and yet achievable and realistic target of \$1,000,000 for 2020 which is appropriate given our usual contribution of nearly 10% of athletes to the Australian Olympic Team.

The funds raised towards the CGAWA national fundraising target enabled our WA athletes and officials to attend the XXI Commonwealth Games on the Gold Coast and it was as usual delivered through the efforts of our Team Appeal Committee to whom we are greatly indebted.

I am delighted football legend Graham Moss is Chair of our Team Appeal Committee (TAC) and it is with his stewardship the CGAWA we were able to achieve the team appeal target of \$180,000.

The Joint Executive arrangement with the CGAWA which I am proud to Chair, currently sees our fundraising program occuring in two yearly cycles, however the most significant funding requirement lies with the funding of the Australian Olympic Team.

Our challenge therefore is to quickly launch our fundraising campaign in the coming weeks on the back of the atmosphere of our hosting of the XXI Commonwealth Games on the Gold Coast, and vigorously pursue our \$1,000,000 target which will support our WA athletes and officials as members of the Australian Olympic Team bound for Tokyo in 2020.

However, we do have a broader charter of initiatives as your Australian Olympic Committee representative body in Western Australia, and this was very much reinforced as I articulated at the AGM last year, when we met as a Joint Executive to develop our strategic plan in late 2016.

In 2017 we in fact reached 70 years as a State Olympic representative body and we are the longest continuously operating State entity outside of the foundation Australian Olympic Committee founded in NSW.

EDUCATION INITIATIVE

We continue to introduce ourselves to as many schools and school children as we can afford within our budget and we continue to help local WA athletes and officials by promoting the ideals of the Olympic movement through the AOC Olympic Education Program and delivery of the Pierre de Coubertin Awards, reaching out to the youth of WA.

Through these initiatives and the WA Government funded Champions 2 Country Tour, we promote the Olympic sport traditions and values which enrich life values and life skills.

Our WA Olympians also meet with the community in other forums and are always acknowledged for the positive impact their participation in sport has on life, particularly in the eyes of school age children.

STAFFING AND RESOURCES

The office, whilst conservative in its manning, has increased in its effectiveness, not only due to its proximity to athletes amongst the environment of the WA Institute of Sport, but also because of the demeanor and capability of our Executive Director Lisa Lilleyman. It is only because of the caliber of individuals such as Lisa and our TAC Chair Graham Moss that we can successfully pursue our objectives.

Notwithstanding, we must continue to enlist the resources of our WATAC membership and as such we continue to pursue business houses and initiate events and activities that can successfully support the achievement of our fundraising target.

As Executive Director in the joint office, Lisa provides administrative leadership and support on a 0.8 FTE contract. Despite the limitations of this arrangement, it has enabled the continued rationalisation of employment costs and enabled a focus on support for the WATAC and the fundraising element of our respective organisations.

In addition the AOC review of staffing and support from AOC staff with the implementation of AOC procedures, has enabled increased office efficiency and further increased the strength of the relationship between AOC staff and our office, and I now believe we have significant support for our fundraising activities and our WA Team Appeal Committee to deliver what I believe remains an imposing, yet achievable target for 2020.

OPÈRATIONS

Financial

Financially the WAOC achieved a modest surplus in 2017 largely as a result of securing operational funding whilst we were in discussions with the Department of Sport and Recreation as to our 'category' funding. This was essential to maintain the operation of the office.

As we were subsequently retrospectively funded our operating costs, we have been able to carry forward those funds into the 2018 operating year.

AOC funding we expect will continue to be capped at 28% of target fundraising income, and along with our funding agreement with the new WA Department of Local Government, Sport and Cultural Industries, I would hope we have some capacity to support Lisa in the office with some contract administrative support to conduct our fundraising and program activities.

Due to sponsorship restraints, these funding sources however remain the only income source to sustain our office.

Joint Office

The joint office arrangements in operation since 2006, continue to optimise the delivery of our services to the sporting community, as we operate and provide significant benefits to both national organisations, including the joint office facilities at WAIS located in WA's major sporting precinct, the joint staffing arrangement and access to athletes and professional sports management personnel and office equipment.

We are also indebted to Richard Elkington and 'e-fire and safety' who provide storage for our archives and memorabilia.

Membership

The WAOC Executive remains keen to further engage with member sports and have them more directly involved in achieving our fundraising target as the funding raised directly benefits their athletes participation in the Olympic arena.

I remain reassured that our sports associations recognise and acknowledge not only the local presence of the Olympic movement in WA, but the support, recognition, promotion and fundraising that we deliver directly for their athletes as they purse their Olympic aspirations.

For our part, if member sporting associations are able to assist by fundraising towards our WA Team Appeal, we would only be too willingly to promote and acknowledge your contribution.

Australian Olympic Committee

As President of the WAOC, along with Lisa as Executive Director, I attended the AOC AGM.

As many of you would be aware, in the lead up to the 2017 AGM, there were numerous comments with regard to the management and governance of the AOC which led to a challenge for the Presidency. John Coates was re-elected and I'm pleased to say that an independent review facilitated by recently appointed CEO Matt Carroll AM, found no impropriety in regard to management processes, but did identify opportunities for organisational improvement which are in the process of being implemented.

Liane Tooth as President of the WA Olympians Cub of Australia also attended the Olympians Club AGM and has in this annual report, advised of initiatives and activities happening at national level to the WA chapter.

Western Australian Institute of Sport (WAIS)

We have an excellent relationship with WAIS and continue to work cooperatively and closely with them in maintaining the currency and accuracy of our respective athlete databases as their program athletes aspire to become 'Olympians'.

Through our presence in the WAIS facility, we have the opportunity to maintain and engage athletes who have already achieved Olympian status, and regularly enlist their support to assist with our activities.

Relationship management is a key and essential ingredient in achieving our program aims and objectives.

Department of Local Government, Sport and Cultural Industries

Our funding agreement with the WA Department of Local Government, Sport and Cultural Industries (DLGSC), articulates areas of common interest and activity where the joint office of the WAOC/CGAWA is best placed to deliver on outcomes.

We thank new Director General Duncan Ord for the transitioning of our funding agreement between State governments during a period of departmental restructure and would also like to acknowledge the long service and support from Ron Alexander as his predecessor.

KEY RESULT AREAS

Governance

We continue to progress best practice organisational governance and management practices.

I am pleased to advise we now have full Board membership and I wish to thank the new members of the Joint Executive who have offered their services and been nominated by their respective member organisations.

We maintain appropriate financial reporting, and an ongoing advocacy role for the Olympic movement in WA, and representation on relevant industry bodies.

Olympic Games History, Heritage and Promotion

Maintenance of historical information and records of the WAOC in respect of Western Australian athletes and officials participation at the Olympic Games is a priority and we work with the AOC and the Western Australian Institute of Sport to maintain the currency and accuracy of athlete participation and their progress in pursuing selection to coming Olympic Games.

We also maintain an accurate database of the WA alumni of the Olympians Club of WA.

I am also proud to say we have secured the recognition of 2 Olympic and 1 Paralympic Western Australian athletes at the new Optus Stadium through the presence of athlete panels along the stadium internal walkways. We also look forward to a presence in the 'Sport' wing of the new WA Museum.

Recognition and Promotion

The WAOC has a solid relationship with the Olympians Club of WA and I am pleased to see the increased energy amongst the executive of the WA Olympians Club so capably led by Olympian Liane Tooth and I thank her for her ongoing support.

Olympians Club members and aspiring Olympians continue to support our initiatives and we work to increase their presence and exposure to WAOC activities, regional and community events, and provide administrative support.

In 2017 we were pleased to have current Olympians, Paralympians and aspiring Olympians take part in local promotions and regional tour initiatives such as the Champions 2 Country Tour financially supported by DLGSC funding agreement.

Our athletes continue to be recognised as role models in encouraging and motivating participation in sporting endeavors and reinforcing positive health messages to country and metropolitan Western Australia.

Athlete Servizes and Development

Our athlete career and sport mentoring program is an initiative of the WA Team Appeal Committee initiated in 2008 and we continue to facilitate relationships between our business leaders on an as needed basis.

It is appropriate to acknowledge that the AOC has now adopted its own athlete mentoring program to assist athletes during their careers and also to 'retire' from their own sporting careers and assimilate into post athlete career professions.

WA TEAM APPEAL COMMITTEE AND FUNDRAISING

As discussed earlier, the WA Team Appeal Committee (TAC) has been capably led by Chairman Graham Moss and he has been instrumental in reenergizing the Committee since the departure of former Chair Hon, Richard Court AC who resigned following his appointment as Australia's Ambassador to Japan.

Our relationship with Richard will no doubt provide an insight into the potential synergies with the Japanese business community as we fundraise towards Tokyo 2020.

I look forward to the ongoing enthusiasm and support of the new members within the Committee as fundraising gains momentum and we rapidly progress towards our Olympic Team Farewell Dinner in 2020.

The funds raised by the TAC will not only contribute towards the WAOC target but towards the \$8 million target of the State Olympic Councils (SOC) for and on behalf of the AOC Team Appeal.

Traditionally the WA Government has launched our team appeal with a 1/3 of target contribution on behalf of the general public of WA, and we look forward to collaborating on the launch function in the near future.

Sponsorship, licensing and marketing programs are however vested in the AOC and any addition to that State Government contribution is restricted to monies raised through the conduct of high profile signature fundraising events, auctions, raffles and sale of memorabilia.

I extend my sincere thanks to all the volunteer businessmen and women who make up the membership of the TAC and look forward to their continued support.

I also wish to acknowledge the ongoing support of the Carbine Club as committed advocates for the WAOC with their annual fundraiser to support the Olympic movement and athletes in Western Australia.

I also acknowledge and look forward to having the ongoing support of Minister Mick Murray and thank the previous Minister, Mia Davies, for her support and the commitment of Government over their two terms in Government.

CONCLUSION

In 2018, I look forward to further engaging with our membership at our 'business after hours' functions, and also the delivery of our renewed TAC events program.

I also wish to extend my sincere thanks to the Joint Executive committee and look forward to their support as we pursue our significant fundraising target. Also thanks to Steph Clements engaged to oversee delivery of the Champions 2 Country Regional Tour.

I also extend my appreciation to the members of the WAOC Board and Joint Executive for their commitment and participation. We are all volunteers and the recruiting of capable, energetic and committed working Board members is a challenge with today's busy home and work lifestyles.

The work of the WA Team Appeal Committee and corporate business partners is instrumental in achieving our aims and I thank those supporters from the WAOC alumni, especially the Olympians Club of WA.

I again acknowledge Minister Mick Murray and the State Government through the Department of Local Government, Sport and Cultural Industries and particularly the retiring Ron Alexander, his successor Duncan Ord and the departmental staff with whom we have regular liaison.

Also the City of Perth, Steve Lawrence and the Western Australian Institute of Sport, and our retiring patrons the Governor of Western Australia, Her Excellency Kerry Sanderson AC and former WA Premier Colin Barnett and we look forward to fruitful patronage and support from their respective successors.

And finally my thanks to AOC CEO Matt Carroll and the AOC staff for their support of our office and particularly James Edwards National Director Fundraising Community and Athlete Services.

I look forward to the challenge ahead of us as we work towards Tokyo 2020.

GREG KAEDING President

EXECUTIVE DIRECTOR REPORT

Promotion of the Olympic values of excellence, friendship and respect, and encouraging participation in sport among the Western Australian community continues to be a major focus of the WA Olympic Council (WAOC). Activities and programs including Olympic Day events; the Champions 2 Country Tour of the South West and presentation of our Pierre de Coubertin Awards all help towards achieving this goal.

To see the powerful impact our Olympians have on the school children they visit, affirms our purpose and is proof that the Olympic influence goes far beyond Games time. They share their experiences and talk about the importance of commitment, dedication and never giving up on your dream. Our Olympians provide inspiration to young adults and children to aspire them in their everyday life long after the Games are finished.

Following the Olympics, we encourage our Olympians to visit their childhood school or local sporting club inspiring children at that grassroots level and giving back to the community that helped them get to where they are today. As the saying goes, "it takes a village to raise a child", well "it takes a team to raise an athlete", which includes coaches, family, friends, physios and analysts. Many Olympians comment how humbling and rewarding it is to visit schools or sporting clubs and share their experiences.

It is also important we provide a supportive network for our Olympians and aspiring Olympians. Structured pathways both in and out of elite sport are so important. Athletes need to not only look after their physical health, but also take care of their mental health and be prepared for life after sport. The Australian Olympic Committee's (AOC) investment in developing a platform of support for our athletes has seen the implementation of the AOC mentor program in 2017. There is still a long way to go, however, I am pleased to say progress has been made. The WAOC is looking forward to working with the AOC in the delivery and facilitation of the program, in addition to the current services in the mentoring area we are currently providing our athletes in consultation with WA Institute of Sport (WAIS) staff.

The WAOC enjoys a great working relationship with both WAIS and VenuesWest. Together with WAIS, we are providing networking opportunities for our Olympians and aspiring Olympians with our Team Appeal Committee, helping them develop their corporate network, so that when they are ready to make the transition out of the competitive sporting arena they possess the skills to successfully navigate through that next phase of life. VeuesWest are very supportive of our various programs and we provide benefit to them through Athlete relationships and engagement. We look forward to working more closely with both organisations in 2018.

Another one of our major remit's is fundraising. Collectively the States and Territories have committed to fundraising \$8,000,000 towards the costs to send the Australian Olympic Team to the 2020 Tokyo Olympics. WAOC's fundraising target is \$1,000,000. Given the current economic climate this will be a challenge, however we are confident with the right mix of activities and corporate offerings we will reach our lofty target. The Team Appeal Committee ably Chaired by Graham Moss give freely of their time, expertise and networks to help fundraise for our Athletes. On behalf of all Olympians, I would like to recognise and sincerely thank them for their ongoing support.

The WAOC works closely with the OCWA, providing administrative and event delivery assistance to further develop the OCWA social network here in WA. It is an honour and a privilege to work with the OCWA and its members.

Financially, the Council is a strong position leading into 2018. Government support continues to be uncertain and the small investment requested of the WA Government is more than delivered on in value and service to the WA community.

Following the appointment of Matt Carroll AM to AOC CEO in May 2017, an independent ethics and cultural review was undertaken highlighting the areas of improvement required within the AOC. The AOC "reset" is still in progress and the States are benefitting from the increased collaboration and communication from the National office. The States are also working more closely, sharing information which is enabling efficiencies across administrative areas.

I would like to thank our President, Greg Kaeding and the WAOC Executive for their guidance through the year and to Steph Clements for her program delivery and support. I would also like to thank James Edwards, AOC Director National Fundraising, Community, Athlete Services and Warwick Waters, AOC Manager National Fundraising for their support and leadership.

Lisa Lilleyman Executive Director

ATHLETES AND THE COMMUNITY

Closer collaboration with the AOC continues to be a focus of the WAOC with local delivery of National programs starting to take shape in 2017. The Athlete Transition Program developed by the AOC in close collaboration with the AOC Athletes Commission was successfully launched in WA with Athletes and Alumni applying to be a part of the program either as Mentors or Mentees. Mentees and Mentors are then electronically matched and with consultations with the States, who have a more personal relationship with the Athletes and Alumni, final matches are made and the introduction follows. Early feedback has been very positive.

Athletes in the Community – Australia Day WA

2016 Olympic and Paralympic Athletes were among those chosen to be 2017 Australia Day WA Ambassadors. Athletes attended various community and local government events and ceremonies across the State. Congratulations to Zoe Arancini – Water Polo, Adam Deans - Wheelchair Basketball, Brant Garvey – Para triathlete, Brad Scott – Paralympic Athlete, Deborah Tsai - Synchronised Swimming.

2017 Pierre de Coubertin Awards

Pierre de Coubertin was the founder of the modern Olympics and believed in the ideals of teamwork, sportsmanship and fair play. Through strategic partnerships the WAOC are developing pathways to increase the profile of the Awards in WA secondary schools.

The Pierre de Coubertin Awards recognise secondary students who represent their School / State Sporting Assocoation at the highest level both on and off the field, exemplifying the Olympic values of Sportsmanship, Teamwork and Fair Play.

22 Secondary School students from years 10, 11 and 12 were awarded the prestigious Pierre de Coubertin Award (PDC) for 2017 in front of 50 invited guests at the PDC Olympic Academy Day held at the WA Institute of Sport High Performance Centre.

Olympians Blair Evans (Swimming), Jesse Phillips and Steve Bird (Sprint Kayak) and Danielle Kettlewell (Synchronised Swimming) spent some time with guests and shared their sporting journey during the Q&A Panel discusion.

PDC recipients who were unable to attend the Olympic Academy were presented at their respective schools, with the WAOC doing a short presentation on the PDC awards and the Olympic Values to approximately 4,500 students across the metropolitan area.

ATHLETES AND THE COMMUNITY

2017 Champions 2 Country Regional Tour

The annual WA Champions 2 Country Regional Tour was held from the 24th - 26th October touring the five South West towns of Bunbury, Busselton, Collie, Manjimup and Bridgetown.

The Tour is presented by the WA Olympic Council and Commonwealth Games Australia WA division and financially supported by the Department of Local Government, Sport and Culture (DLGSC). Our six amazing athletes included members of Australian Olympic and Paralympic Games Teams and aspiring Commonwealth Games athletes.

We are fortunate our Athletes are committed to "giving back to the community" as a way of recognising and appreciating the support provided by the people of Western Australia during their Olympic and Commonwealth Games campaigns.

The "Champions 2 Country" Tour aims to provide the South West community a unique opportunity to hear from high profile sporting role models with the main objective to provide inspiration on issues including healthy lifestyle choices, leadership, team work, respect, self-belief and the motivation to achieve goals. Athletes also share the spirit of the games community and the Olympic and Paralympic Games experience.

The tour brings Olympians and elite athletes into regional communities to engage and motivate our next Australian representatives and promote the development of sport and participation among the broader school population in these regional centres.

ATHLETES AND THE COMMUNITY

Joining the 2017 tour were:

•

- Jayde Taylor Hockey 2012 Olympics and 2014 Commonwealth Games
- Belinda Stowell-Brett Sailing 2000, 2004 and 2012 Olympics
- Olivia Vivian Gymnastics 2008 Olympics & 2012 Commonwealth Games
- Trent Mitton Hockey 2010 and 2014 Commonwealth Games
- Brad Scott Athletics 2008 and 2012 Paralympics
- Ingrid Colyer
 Netball West Coast Fever Player

It was a busy couple of days for our athletes visiting 13 Schools reaching over 1650 children. Over 310 local residents participated in events organised at the 6 sporting clinics and 4 community events were conducted including a presentation at the South West Academy of Sport (pictured top) and a coaches & volunteers breakfast in Bunbury.

We were thrilled to have the support and participation of the Minister for Sport and Recreation, Hon Mick Murray MLA who joined the tour for the Bunbury Coaches and Volunteers Breakfast and visited with students, parents and staff at a local Collie Primary School (pictured right).

The 2018 Tour is scheduled to visit the Pilbara Region.

FUNDRAISING

Fundraising monies are generated through a combination of high profile events, the WA State Government Grant and private donations. They do not include sponsorship, licensing or marketing programs. The Australian Olympic Committee receive no Federal Government funding to send the Australian team to compete.

Twenty20 Cricket at the WACA

Our Fundraising for 2016 Rio finished with the delivery of Twenty20 Cricket at the WACA in October, a fundraising package purchased by Ernst Young (EY) and Western Meat Packer Group (WMPG). The team at EY took on WMPG in a hard fought but friendly game held at the home of cricket in WA, the WACA.

Adam Lucas (Swimming 2004) front row 2nd from left on Team Ernst Young, joined in the corporate Twenty20 cricket fundraiser for the WA Olympic Team Appeal. VIP celebrities including Graham Moss, Shane Woewodin, Andrew Embley and Western Warriors Player Kyle Gardiner joined the teams.

The WA Olympic Council would like to acknowledge the support of the WACA and BLK in delivering a successful event and to EY and WMPG for their continued support of our fundraising efforts for our WA Athletes.

Carbine Club

The Carbine Club of WA continue to provide generous support to the Team Appeal by dedicating one of their member luncheons each year to fundraising for the Team Appeal with the auction proceeds of the luncheon going towards the Team Appeal. We recognise and appreciate the continued support of the Carbine Club and their members.

Acknowledgements

The WA Olympic Council acknowledge the extraordinary contribution of the members of the Team Appeal Committee (TAC), ably led by Chairman, Graham Moss. The TAC give freely of their time and contacts to sell tables/tickets, source auction items and obtain trade discounts in order to raise maximum funds at the various fundraising activities throughout the quad. The WAOC would also like to acknowledge the companies they represent. Often many concessions and contributions are made in kind by the company.

Their passion and commitment to Fundraising for the benefit of our Australian Olympic Team is appreciated by the Council and the athletes alike.

One of the key components to the success of our fundraising activities is the support from our Olympic Alumni and aspiring Olympians who embrace the opportunity to be a part of the Olympic Team Appeal activities and we thank them for their support.

The Olympians Club of WA provide valuable support to all our fundraising activities and I would like to thank Liane Tooth OAM OLY, OCWA President, for her help throughout the year.

Australian Olympic Committee support is very much appreciated and we look forward to the launch of Tokyo Fundraising Campaign in 2018 and the continued support of the AOC and President, Mr John Coates AC in delivering our fundraising activities. the structure of our Fundraising Program will continue to be reviewed, promoted and encouraged to ensure the 2020 quad is a successful one.

STAKEHOLDERS

Close working relationships with all our stakeholders enables the WA Olympic Council to assist in the delivery of programs and services for the benefit our athletes while providing inspiration for the community

State Sporting Associations

Our member organisations are an integral part of the sporting landscape in WA. Their grassroots programs and athlete pathways are the source of our future Olympians and the WAOC enjoys a positive working relationship with all Associations. The WAOC needs to review the engagement of the State Sporting Associations in WAOC programs and initiatives to ensure we are maximising the community engagements and grassroots engagement that our associations can provide.

VenuesWest

We thank VenuesWest for their support of many of our programs and initiatives and look forward to providing value to the implementation of their programs and services.

The VenuesWest Ambassador Program is one example. By providing consultative feedback to VenuesWest on the nomination process and selection criteria, the WA Olympic Council were also able to assist VenuesWest by promoting the opening of nominations through our Olympic network.

We are pleased Olympians Steve Bird (Sprint Kayak 2012, 2016) and Brianna Throssell (Swimming 2016) were selected among the four 2017 VenuesWest Ambassadors announced by Hon. Mick Murray MLA at HBF Stadium.

WA Institute of Sport

The Western Australian Olympic Council are fortunate to lease office space inside the Western Australian Institute of Sport, the home of high performance sport in WA. The close working relationship between the WAOC and WAIS and the proximity to athletes and their coaches has been crucial in relationship development and the resulting positive program outcomes. 2017 saw the introduction of Athlete Networking opportunities and in 2018 we look forward to developing these opportunities and identifying other ways the two organisations can work together for mutually beneficial outcomes for our athletes.

Department of Local Government, Sport and Cultural Industries

A key funding partner of the WAOC and CGAWA joint office is the Department of Local Government Sport and Cultural Industries (DLGSC).

Our service agreement with DLGSC is contingent on the following Key Result Areas:

- 1. Fundraising
- 2. Community and Athletes
 - Promoting the Olympic values in the WA community.
 - Maintaining relationships with Olympic and
 - Commonwealth Games athletes.
 - Maintaining Olympic and Commonwealth Games history and records.
- 3. Management and Finance, adherence to best practice.
- 4. Governance. Transparent sustainable practices.

We are pleased to report each of the areas has been successfully achieved in 2017.

Department of **Sport and Recreation**

HISTORY & HERITAGE

The WAOC are the proud custodians of WA's Olympic history and are the only organisation in the State to engage regularly with our Olympic alumni encouraging involvement in activities promoting the Olympic vales and inspiring the WA community through our rich history of competition.

As proud custodians of Western Australia's Olympic history, we continue to be vigilant in maintaining an accurate and comprehensive statistical record; as well as updating detailed contacts for all Olympic Games Alumni. Comprehensive records date back to the first Olympic Games of the modern era in 1896, with WA's first Olympic Games representative Frank Schryver who took part in the 5th of the modern Olympic Games in Stockholm in 1912. The official records relating to WA's participation at the Olympic Games is made available to the State Government and the general public upon request.

In addition to the historically significant nature of the statistical records, the importance of maintaining contact details which ensures consistent contact with our Olympic Alumni in WA and is of great value in mobilising our Olympians to benefit our AOC and Community Programs throughout WA. Through this continued contact we maintain an active relationship with our 400 plus membership allowing us to assist in keeping the national database "Zeus" up to date.

This program augments the WA Commonwealth Games Historical Records Maintenance Program managed by the joint office, with the biennial nature of the Olympic and Commonwealth Games underpinning the continuous and relevant communication to Olympians and aspiring Olympians over a four year quadrennium.

The WA Olympic Council were fortunate to be involved in the Perth Stadium Memorabilia Project recognising athletes who have contributed to the rich sporting history here in Western Australia. Twenty, six metre x one metre metal panels, are located in the East Atrium of Optus Stadium, displaying our WA sporting legends.

The Council was able to secure three of the twenty panels designed to highlight the extraordinary achievements of our athletes within the new Stadium scheduled to open in 2018. Our first Olympic Gold Medallists John Winter (High Jump, Athletics) and Shirley Strickland (Hurdles, Athletics) were selected, along with Louise Savage (Wheelchair Racing, Athletics), to join the other 17 iconic WA Sporting legends.

The Council will continue to work with the WA Museum and ensure the inclusion and display of our WA Olympic memorabilia in the new WA Museum opening in 2020.

Secure storage of our Olympic and Commonwealth memorabilia is generously provided by WAOC Executive member (resigned in April 2017) Richard Elkington,. We thank Richard for his assistance in providing the secure facility for our precious memorabilia and for continuing his support following his resignation from the Committee.

GOVERNANCE

The Western Australian Olympic Council (WAOC) and the Commonwealth Games Australia Western Australian division (CGAWA) operate under a joint office agreement enabling the conduct of a professional and successful operation in 2017. The Joint Office agreement allows for operational efficiencies to be achieved across both organisations and a seamless transition between Olympic and Commonwealth activities.

WAOC Executive Framework

In 2017, four meetings of the WAOC Executive were held. The WAOC audit is funded and managed by the AOC with the services of accounting company EY. The financial statements are prepared by the AOC and reviewed and endorsed by the WAOC. A detailed analysis of the statements can be found on page 26.

Membership

The WAOC represents a total of 29 Constituent State Sporting Association (SSA) members and 4 Recognised SSA members. Members were engaged through invitations to CGAWA/WAOC functions and provided with regular communications via emails and newsletters. We look forward to consolidating the important relationship with the SSA's towards Tokyo 2020 and promoting Olympism through Olympic sports.

Funding

The AOC are the key funding partner of the WAOC through employment of the Executive Director. The AOC also provide strategic guidance and administration assistance ensuring adherence to AOC policies and guidelines and conducting our activities with transparency and integrity.

Financial support for joint office is also granted by the WA Government through the Department of Sport. The State Government funding enables the office to build capacity in the community and provides the State Government with a value-added return on its investment in elite sport in WA. The joint office positions itself as a valid, effective and necessary component of WA's very successful State Sporting system with our strategic focus clearly aligned with our stakeholders and partner organisations.

It is imperative the joint office is appropriately resourced with adequate time, equipment, and funding to not only continue to support Olympians, athletes and alumni, but to develop the beneficial partnership opportunities and programs that utilise the high profile of the Olympic and Commonwealth movements to positively influence the health and well-being, inspiring Western Australians through our programs and promotion of Olympic and Commonwealth Values.

We acknowledge the State Government financial support and in particular Graham Brimage and Cameron Agnew from the Department of Sport for their support during 2017.

Membership affiliation fees also contribute to the WAOC income.

Australian Olympic Committee Funding

The AOC is a key funding partner of the WAOC operations and we thank them for this support. In addition to providing a host of services including finance, payroll and audit, direct AOC funding of \$294,000 will be provided to the WAOC for the 2020 quadrennium. This funding is split across the four years and is provided in recognition of our fundraising responsibilities, our provision of administrative services for the Olympians Club of WA, and in general, our representation of the Olympic Movement in WA. We thank the AOC for their support.

GOVERNANCE

The WAOC continues to be active in supporting the AOC in the following areas;

- Promotion of the Olympic Movement in WA
- Olympic Education Program
- Update WAOC section of AOC Website
- Protection of the Olympic Brand
- Continued update of national Olympians database Zeus
- WA articles for OCA Newsletter
- Presentation of IOC Participation and Medallist Pins

Commonwealth Games Australia WA Division Funding

Whilst not directly a funding partner of the WAOC, the ability for the WAOC to be professionally staffed and resourced over a full quadrennium is due to the joint office agreement and the financial contribution made by Commonwealth Games Australia WA Division (CGAWA). The WAOC acknowledge the support of CGAWA.

Vale Betty Cuthbert AM MBE | 1938-2017

Olympic and Commonwealth Games Legend Betty Cuthbert, was remembered for her humility, courage and outstanding athletic ability at services held across Australia following her passing on 6th August 2017.

Betty Cuthbert will forever be known as the Golden Girl of the 1956 Melbourne Olympic Games, where she won three sprinting gold medals and entrenched herself in the collective affection of a nation. She was 18, straw-blonde, and she bolted into public consciousness from virtually

nowhere. So poorly did she rate her chances of even being

chosen to represent Australia that she bought tickets to attend as a spectator.

In nine days she won the 100m, the 200m and anchored the team that won the 4 x 100m relay. Eight years later, after a retirement that did not last, Cuthbert tackled the 400m at the Tokyo Olympics, ran flawlessly and collected a fourth gold medal.

Until the end of the century only two others, Dawn Fraser and Murray Rose, had achieved that feat; in 2004, Ian Thorpe took his tally to five.

John Coates relayed a conversation with Betty, "I once as asked Betty how she would like to be remembered and she said 'I never want to be forgotten.' Her triumphs on the athletic track will make sure she will always be remembered as the 'Golden Girl' of 1956 and the wonderful comeback to win the 400m in Tokyo in 1964."

OLYMPIANS CLUB OF WA

"Once an Olympian - Always an Olympian

Never Past, Never Former"

OCWA Voluntary Contribution

In 2009, 2010 and 2012 the Executive of the OCWA asked Olympians to consider making a yearly voluntary contribution of \$10 to assist the costs associated with running events. In 2017, the Committee again asked for support and there was an outstanding response with over \$2,150 donated, with numerous Olympians choosing to donate more, including a very generous contribution of \$500 from one Olympian! The Committee thanks everybody who generously contributed.

Champions 2 Country Regional Tour

The annual WA Champions 2 Country Regional Tour was held from the 24th to the 26th October touring the five South West towns of Bunbury, Busselton, Collie, Manjimup and Bridgetown.

Our Olympians recognise the importance of giving back to the community and inspiring a new generation towards achieving their goals. Tour details can be found on page 9 of this report.

OLYMPIANS CLUB OF WA

Annual Christmas Lunch and AGM

On 26th November we held our Christmas lunch at the beautiful Frasers Restaurant at Kings Park. This year the lunch was themed as a White Christmas in anticipation of the Winter Olympics in February 2018 – a big thanks to Paul Cumming from Phenomenon Creative Events who provided some complimentary items to assist with decorating the room. The event was attended by 96 people, including 46 Olympians and 2 Paralympians, who between them as athletes, coaches, medical and team managers have attended 107 Games (Summer, Winter and Paralympics) and won 23 Medals (11 Gold, 7 Silver, 5 Bronze), with representation from every summer games since 1956.

The day also included a moving tribute video of Betty Cuthbert following her passing in August, a highlights video of PyeongChang, interviews with two of our WA Winter Olympians (Lucy Chaffer and Gareth Nichols), two of our Barcelona Olympians to celebrate 25 years since the 1992 Olympics (Silver medallist Damon Diletti, hockey and Bronze medallist Ramon Andersson, canoe), as well as a fun, interactive Olympic Quiz. The Christmas raffle proceeds of \$1,080 were donated to Mission Australia's Perth Christmas Lunch in the Park for the disadvantaged.

The OCWA aims to conduct events that appeal to a wide range of our Olympians, and will continue to look for opportunities to host functions in conjunction with local sporting events, Olympic anniversaries and the WA Olympic Council. The OCWA Committee also acknowledges and thanks Lisa Lilleyman at the WAOC for the terrific support she provides to OCWA.

Best wishes for the festive season to all our WA alumni and we look forward to seeing you in the new year at our OCWA events!

(1) CORPORATE INFORMATION

The financial report of the Western Australia Olympic Council Inc. ('WAOC' or the 'Council') for the year ended 31 December 2017 was authorised for issue in accordance with a resolution of the Executive on 27 February 2018.

The Western Australian Olympic Council Inc. is an Association incorporated under the Associations Incorporation Act 2015 of Western Australia and is domiciled in Western Australia.

The principal place of business is CI- WAIS, McGillivray Rd, Mount Claremont, Western Australia 6010.

The nature of the operations and principal activities of the Council are that WAOC acts to develop and protect the Olympic movement in the state of Western Australia in accordance with the Olympic Charter and the Constitution of the Australian Olympic Committee Inc. and to actively promote the fundamental principles of Olympism within the framework of sports.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Basis of preparation

This special purpose financial report has been prepared for distribution to the members of the Council to fulfil the Executive's financial reporting requirements under the Associations Incorporation Act 2015 of Western Australia and the Council's constitution. The accounting policies used in the preparation of the financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Act 2015 of Western Australia and the Council's constitution and are, in the opinion of the Executive, appropriate to meet the needs of members:

- (i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.
- (ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to, the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Act 2015 of Western Australia and the Constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality' and AASB 1048 'Interpretation and Application of Standards' which apply to all entities required to prepare financial reports under the Associations Incorporation Act 2015 of Western Australia and the Constitution.

(a) Basis of preparation con't

The Executive has determined that in order for the financial report to give a true and fair view of the Council's performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the Council for the annual reporting period ended 31 December 2017. The Executive has not early adopted any of these new or amended standards or interpretations. The Executive has not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. Income received at balance date that is in relation to future years is brought to account as unearned income. Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government Grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue realised by the WAOC is recorded directly in the financial statements of the AOC.

At 31 December 2017, the WAOC had raised \$139 for the 2017 – 2020 Olympic Team Appeal (2016: \$789,578 for the 2013 – 2016 Olympic Team Appeal).

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The WAOC is exempt from Australian income tax.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES - con't

(g) Cash and cash equivalents

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue raised by the WAOC is recorded directly in the financial statements of the AOC. WAOC does not have a bank account and for administrative purposes, all cash transactions are processed by the AOC. The net cash position is reflected in a net receivable account at year end (refer note 5).

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried out at original invoice amount less an allowance for any uncollectible amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Plant and equipment

Acquisitions

Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impaired value.

Depreciation and amortisation

Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 3 to 5 years from the date of acquisition.

Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the Council would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the Statement of Comprehensive Income.

(j) Trade and other payables

Expenditure is brought to account on an accruals basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.

(k) Employee benefits and expenses

(i) Wages, salaries, annual leave and long service leave

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) Superannuation

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under Superannuation Legislation Amendment (Choice of Superannuation Funds). Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the

Statement of Comprehensive Income when due. All employees in the group employee superannuation scheme are entitled to benefits on retirement of permanent disability. Benefits are payable to nominated beneficiaries on death.

(l) Interest

'Interest paid' and 'Interest received' are not classified in the Statement of Cash Flows as WAOC has no bank account. Interest recorded and applied in the Statement of Comprehensive Income has been received by the WAOC, based on deposits held by the AOC on behalf of the WAOC. Interest is recorded when received and used in the general operations of the WAOC.

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies, the WAOC evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to WAOC. Actual results may differ from the judgements, estimates and assumptions.

Compensation of Key Management Personnel relate to the following categories only:

Short-term employee benefits	73,938	72,616
Post-employment benefits	7,024	6,886
	80,962	79,502

Apart from the Executive Director, Members of the Executive serve on an honorary basis for no remuneration.

(13) AUDITORS REMUNERATION

Costs of the audit of the WAOC are borne by the Australian Olympic Committee Inc.

(14) GOING CONCERN

The financial statements have been prepared on a going concern basis.

The Council's ability to continue as a going concern is dependent on receiving ongoing support from the Australian Olympic Committee Inc. and government grants. The Executive has prepared a forecast for the 2018 year which indicates that with the support of the Australian Olympic Committee Inc. the council will be able to meet their financial obligations as and when they fall due.

On that basis the Executive believe it is appropriate to adopt the going concern basis in the preparation of these financial statements.

DECLARATION BY THE MEMBERS OF THE EXECUTIVE FOR THE YEAR ENDED 31 December 2017

In the opinion of the Executive of the Council:

- (a) the financial statements and notes of the Council as set out on pages 32 to 42 are drawn up so as to give a true and fair view of the Council's financial position for the year ended 31 December 2017 and of their performance for the year ended on that date; and
- (b) the financial statements and notes have been prepared in accordance with the basis of accounting described in Note 2; and
- (c) there are reasonable grounds to believe that the Council will be able to pay its debts as and when they become due and payable.

This statement is made out in accordance with a resolution of the Executive.

Signed on behalf of the Executive at Perth this 27 February 2018.

Opinion

We have audited the financial report, being a special purpose financial report, of the Western Australian Olympic Council Inc. (the Association), which comprises the statement of financial position as at 31 December 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the Statement by the Members of the Executive.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 31 December 2017, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Reliance

We draw attention to Note 2 to the financial statements which describes the basis of accounting. The financial report is prepared to assist the Association to meet the requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Association and the Executive of the Association (collectively the Recipients) and should not be distributed to parties other than the Recipients. A party other than the Recipients accessing this report does so at their own risk and Ernst & Young expressly disclaims all liability to a party other than the Recipients for any costs, loss, damage, injury or other consequence which may arise directly or indirectly from their use of, or reliance on the report. Our opinion is not modified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE WESTERN AUSTRALIAN OLYMPIC COUNCIL INC. PAGE 2

Responsibilities of the Executives for the Financial Report

The Association's Executive is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 2 to the financial statements is appropriate to meet the requirements of the Associations Incorporations Act, 2015 of Western Australia and the Council's Constitution and is appropriate to meet the needs of the members. The Executives' responsibility also includes such internal control as the Executive determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Executive is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Executive either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executives.
- Conclude on the appropriateness of the Executives' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

A member firm of Ernst & Young Global Limited Liability limited by a scheme approved under Professional Standards Legislation Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
